President's Letter

WOW - that's the only word I could think of to describe these last four months. These are days the likes of which we've never seen and hope to never relive.

My heart goes out to our GHHS Class of 2020 grads who never realized their well-earned BOBCAT sendoff. Undoubtedly, they will remember their senior year in more detail than any other graduating class. I know you all join me in congratulating them and welcoming them to GHHSAA.

In this issue, we salute our front-line healthcare heroes. If you aren't included in this issue but serve in healthcare or public service during the pandemic, please send your photo and story to GHHSAA@hotmail.com to include in a future issue.

As of this writing, the only known GHHS Alumni death from COVID-19 is that of Betty Morrison Burke '56. We are sorry for her passing and extend our condolences to her family and friends.

Every year we lose too many great alumni. Please take a moment to remember our friends and classmates who passed this year.

My thanks for your continued support by sending in annual dues and to those who contributed to the Paws, Big Cats, Top Cat Clubs, Special Recognition, In Honor and In Memory giving circles. Thank you also to our many LIFE members who send additional support every year.

Be the first in your neighborhood to get the latest news. Send your email address to GHHSAA@hotmail.com and let us know if you want only the email copy or both email and print versions of this newsletter.

Our GHHS looks like a fortress, surrounded by green fencing all around. Follow the progress at www.ghschools.org and click on the "Facilities Planning" link under the "Construction" tab.

I served in the Navy during WWII and the Army during the Korean War and am now enjoying life in Sarasota, Fla.

My cousin, Marilyn Mock Denham, died in February 2020 at the age of 89. We both graduated from GHHS in 1948. Marilyn and her husband, Ken, retired to Guatemala in 2000.

I just got my mom's latest GHHS alumni newsletter and wanted to alert you to her passing on Dec. 10, 2019. She was always so proud of being a Grandview Bobcat. I know, because I lived on Third Avenue in Grandview for many years and when she visited, if we drove past the high school, she would always say "bow your head" with a laugh. She said she was joking, but not really. Even as she neared 80 years old, she took great pride in driving her 1955 Chevy in the annual Memorial Day parade.

With absolute joy on her face, she would navigate down First Avenue with her girlfriends tossing candy out the windows. It's one of my favorite memories of my mom. She had to ride shotgun during her last parade, a few years ago, but it was still a big day for her. Thanks for letting me share a special memory.

Sons Craig and Curt Berlin live in Grandview with their families. Daughter Karla Berlin Frank is in Lexington, KY, with her family. We talk daily and keep up with the news from "Lake Wobegon." Craig's children, Ryan and Kelly, and Curt's children, Emma and Luke, are all GHHS grads.

We're into year #4 in South Florida. We enjoyed the home we built in Pickwick, Tenn., but the cold weather drove us south. We have fun with our grandkids. I recently had my latest major battle with cancer. The devil doesn't want me and the Good Lord isn't ready. I turned 82 in January so the actuaries don't like me either.

Jean Kelchner Heineman '57

Don and I have lived in Houston for nearly 40 years. We keep busy with walking, volunteering, reading and gardening. Our three sons live in Dallas, Atlanta and Austin and each has two children. Our oldest granddaughter will be married in June 2020.

I enjoyed the latest issue and saw that you would like photos of GHHS times. I ran across these two photos from yesteryear - I believe it was 1951. We organized our own team from Edison and would schedule a game with Stevenson. Our practice fields were the Voelkers' or Lawyers' front yards. We played home games in front of the junior high school,

with the front sidewalk as the 50-yard line. This photo was taken before our away game below the hill. The line consisted of Richard McCleery, Clyde Upp, Hal Leaman, Jim Schmidt and JD Dickerson. The backfield consisted of Tony Rocci (our Ralph Guglielmi), George Livingstone and John Quincey Adams. I believe the other back was Mike Norris. The game was played below the hill at what is now Pierce Field. Grandview was the winner!

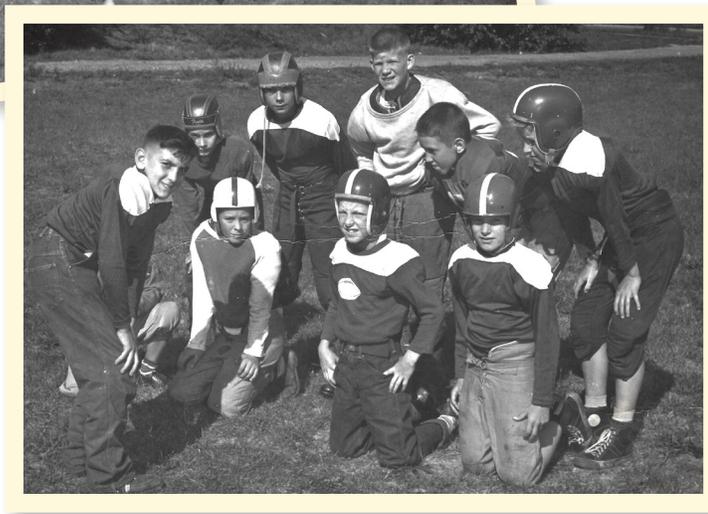

Suzie Buchanan Clemens '59

What a lovely 60th reunion we had! I love seeing everyone. Please stay well! Special thanks to Dick and Carol Bradshaw.

Robert Craig Weber '71

I enjoy receiving the official Alumni Newsletter, and I feel proud to have written for it. Yet it appears that the mercenary AlumniClass.com site has become a part of things. I asked them to stop sending me emails, but I don't expect them to stop their intrusive advertising and requests for money.

For more on this, see page 4.

Patricia Sharp Brown '47
A model Student

Pat Sharp was born in 1929, the very beginning of the Great Depression. Her father lost his job and was without work for more than five years. The family had to sell their home and move in with her grandmother. Limited finances continued through Pat's teen years and left a lasting effect. Pat was frugal and hard-working her entire life. Fortunately, she had a warm, outgoing personality. During her time at GHHS, Pat participated in many school activities, including cheerleading. She was an excellent student and earned an academic scholarship to Denison University, where she also worked as a waitress in the school dining hall to help with expenses. After two years, the scholarship terminated and she

transferred to Ohio State with a business major. At OSU, her lively personality, coupled with her looks, won her the coveted title as the "Sweet-heart of Sigma Chi." This sounds quaint today, but it was a very big honor at Ohio State in 1950. Upon graduation, she went to work as a fashion coordinator with a large Dayton department store. On a whim at age 23, Pat and two friends decided to go to Paris to see if they could find work there. Pat soon became one of the leading fashion models in Paris. Her face and figure became widely known in the European fashion business, showing for top designers like Givenchy, Dior and Fath, and appearing on covers and stories in the best fashion magazines. It was a glamorous, but hectic, lifestyle. So, in search of a more sedate life, Pat returned to New York to model for Anne Klein at Junior Sophisticates. In 1956, she met and married Andy Brown, an advertising executive. That marriage lasted 61 happy years. Andy's advertising job moved them from New York to Portland, Ore., and San Francisco and they were blessed with two daughters. Pat continued to model on a part-time basis while bringing up the girls. Her busy, creative mind was working on an idea for a new type of business - a personal counseling service for homeowners being relocated to the Bay Area. Pat and Andy established "Relocation Consultants." One office grew into several West Coast offices. Pat's college business management studies

paid off handsomely and the couple worked as partners for 15 years. The business ultimately produced the financial resources to establish several scholarships. Their philosophy was that education is the best possible contribution because it has such an ongoing effect and they felt an obligation to support the schools that gave them the education so critical to their success. They sold the business in 1980 and retired to travel and spend time with their family. Pat once wrote "I've been very lucky. I feel that I have it all - a loving husband, two happily married daughters, four beautiful, healthy grandchildren and the financial security to enjoy it all." Pat passed in 2017 at age 88.

New World Champion

Grace Morgan at chug zone #1

Covid-19 forced the best beer milers in the world to compete virtually in 2020, but the virtual format did not stop Allison Grace Morgan '01 from breaking the world record by running 6:16.5.

A beer mile is a 1-mile drinking race combining running and speed drinking. Typically, the race takes place on a standard 400-metre or 1/4-mile running track. The race begins at the 1-mile starting line with the consumption of a 12-ounce beer, followed by a full lap around the track. During the race, competitors drink four beers and run four laps around the quarter-mile track.

Morgan got the pending world record by being amazingly consistent and super fast on her chugs. All the competitors had a week to go out and run their best beer miles, film them, and submit them for verification. On July 4, the filmed races were unveiled as simultaneous virtual races on LetsRun.com.

2020 Scholarship Winners

We are pleased to announce the 2020 GHHSAA Scholarship recipients! We are very proud of you all and your extraordinary accomplishments, and wish you great future success.

Jenna Richards

I've attended school in Grandview Heights since I was in kindergarten. I have learned a lot and made a lot of memories. My most proud accomplishments include a service project through Youth Led Programming. With my peers and our school counselor, we held canned food drives, planned a concert to bring awareness to and break the stigma of mental health, and brought therapy dogs in to help with stress. I also had the opportunity to work closely with children of all ages through Mentoring and More, sixth-grade mentoring and helping in a second-grade classroom, as well as being a middle school camp counselor. Because of my love for working with and helping children, I will continue my studies at Clemson University, which has one of the top nursing programs in the country, to become a pediatric nurse practitioner. I will forever remember my time at Grandview Heights and all it taught me.

Oscar Dunkle

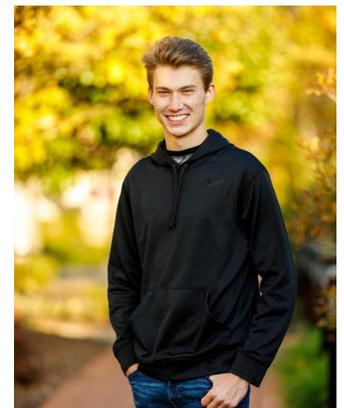

I have a wide variety of interests, ranging from musical theatre to sports, and participated in quiz team, chess club and the Grandview Singers during high school. I am also an active community volunteer and proud Eagle Scout. I will attend Bowling Green State University as a President's Leadership Academy Scholar and plan to major in Nursing.

in architecture over the next four years at the University of Cincinnati as a Presidential Scholar. A big thank you to all of the members of my family, the school, and the community that helped me get to where I am today and where I aspire to be in the future!

Calvin Horning

During high school, I was an all-star for the Northwest In The Know League, a four-year varsity member of the tennis team, and the lead electrician for two years for the GHHS FIRST Robotics team. In my free time, I enjoy reading, playing video games, and watching films, especially the works of Wes Anderson and Christopher Nolan. I'm planning to pursue an undergraduate degree in Urban Studies at Trinity College and a graduate degree in Urban Planning.

Aidan Young

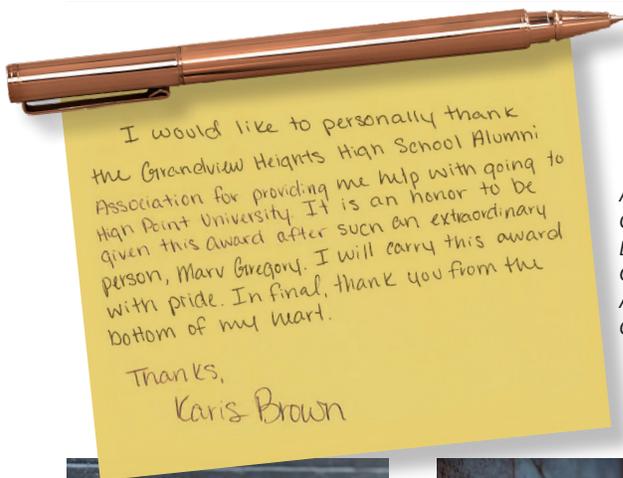

Being a GHHS student taught me work ethic, dedication, collaboration skills, and leadership. After participating in activities such as musical theater, marching band, and bowling, I've learned many of these essential life qualities. The courses I have taken such as AP Calculus and AP Physics prepared me to perform at the collegiate level and taught me the skills I need to succeed through school and life. My goal is to change knowledge about our universe. I envision myself becoming an aerospace engineer who aids in upcoming space exploration. Being able to lead the way in changing humanity forever is a dream of mine. My curiosity drives my passions, and going to work for a space exploration company would fulfill that passion. Constructing and designing rockets that send man to the unknown would fulfill that lifelong goal.

Ravi Kumar

During my time at Grandview, I competed on the soccer, basketball, and track and field teams. I also participated in the Student Council, FIRST Robotics, Science Club, Spanish Club, Green Dot, National Honor Society, and many other organizations. I look forward to pursuing a degree

2020 Scholarship Winners

A thank-you note written to The Columbus Foundation from Karis Brown, this year's recipient of the Grandview Heights High School Alumni Association Fund. Congratulations, Karis!

Ricky Matter

I will be attending The Ohio State University to study business management. Throughout my high school career, I was involved in golf, track and field, Ski Club, Mentoring and More and Student Council. I am co-owner and founder of my lawn business, Matter Taylor Lawn Care and I am also a Troop 73 Eagle Scout. Some of my favorite activities include boating, camping, and hanging out with friends.

GHHSAA- Honoring Marv Gregory

Karissa Brown

I transferred to GHHS for my senior year from Northwest Ohio and made the most of that year. I was active in volleyball (Bobcat Award recipient), cheerleading, Grandview Singers, band, and the production of Music Man. My hope was to play softball to finish off my high school athletic career. I will be attending High Point University in North Carolina and was accepted into their Leadership Fellows Program. I'd like to thank Grandview Athletics, coaches, team mates, and parents for all the support and making me feel welcome. Go Bobcats!

Rooks Scholarship

Luke Berlin

In my four years at GHHS, I was involved in various different clubs and sports including being vice president of the Spanish club, treasurer of Youth to Youth, vice president of National Honors Society, and a mentor with Mentoring and More. I participated in baseball and bowling in high school, earning three varsity letters in each sport. I spent the fall of my junior and senior year working at Rotolo's Pizza. I will be attending The Ohio State University to study international business and Spanish.

Charlie James

I have lived in Grandview my entire life. During high school, I was a part of the football and basketball teams. I was also a member of the National Honors Society, Science club, a coach for the youth football and basketball camps, and a counselor for fifth and sixth graders. I am very excited to be attending The Ohio State University to study Actuarial Sciences. I hope to stay involved in many of the same programs in the years to come.

Legacy Scholarship

Maura DiCuccio

In my four years at GHHS, I served as secretary of Gender Sexuality Alliance, Student Council representative, Green Dot Bystander Intervention program ambassador, Science Club, People of Wonder feminist club, and Students Demand Action. I helped to start Grandview's first girls golf team and competed as a varsity player. I was also a member of the swim, bowling team, softball team, and ultimate frisbee teams, as well as a varsity cheerleader. Other extracurriculars include the theater program and marching band. I also worked at Figlio restaurant as a bus person, dishwasher, and mainly as a cook. In my free time, I like to rock climb at our local bouldering gym. I will attend The Ohio State University as a science exploration major.

Hallie Georskey

While at Grandview I had many great opportunities I wouldn't have had at other schools. As a senior, I lead an independent study, partnered with OSU, researching magnetotactic bacteria (MTB). I have been a four-year varsity starter playing soccer and football, and also a

captain during my senior year in both sports. I have volunteered at Grandview youth football camps and Dreams on Horseback, an organization that provides therapeutic riding to special needs children. In the fall, I will be attending the College of Wooster to play soccer and major in biochemistry and molecular biology.

Isabell Evans

Throughout high school, I've played and was captain of our soccer team, four-year member of our mock trial team, and a leader of our Bobcat Buddies club. I am also a member of the NHS, and a scholar athlete. Every year, I go on a mission trip to Tecate, Mexico, to build houses, and teach a sixth-grade class on poverty in our community. Next year, I am going to Miami

University to study social justice and global diplomacy on a pre-law track. I thank the GHHSAA for this scholarship and their support as I go into this next chapter of my life.

Megan Watters

I will be attending New York University to study History of Art & Museum Studies with a minor in marketing. I hope to spend part of my freshman year at NYU's Florence, Italy, campus. During my time at GHHS, I was a class officer, participated in student council, marching band, jazz ensemble, Ohio mock trial competition, varsity swimming and softball, National Honor Society, and co-founded the puzzle club. I was selected to be a sixth-grade camp counselor. During my summers, I was a lifeguard at the Grandview Municipal Pool. To earn my Girl Scout Gold Award, I wrote and published a book on the 70-year history of the CakeWalk. Thank you to the GHHSAA members who shared their Cakewalk memories, and thank you for the generous scholarship. I am extremely proud to be a Grandview Bobcat and excited to see what the future holds!

Newsletter Guidelines

This newsletter is published by the GHHSAA three times per year – Fall, Winter and Spring. Submit articles, news, reunion plans, and pictures to GHHSAA@hotmail.com. The GHHSAA staff reserves the right to edit any submissions for content timeliness, appropriateness, grammar, clarity, and space considerations.

The deadline for the Winter Edition is December 1, 2020.

Looking Back

Repeating the past

This 1922 photograph shows the Grandview High School under construction and resembles the construction activity currently taking place. This view is looking north from the rear of the high school, showing buildings lining Fifth Avenue in the far distance and cars parked along Third Avenue to the left of the shed on the right. Workmen are building the foundation and a large stack of drain tile is in the foreground. The photograph is labeled "Grand View High School, L. L. Leveque Co. Contrs." The original high school had twenty-two rooms, could accommodate 600 students, and cost \$290,000.

REUNIONS

Get Ready for a Memorable Weekend

Attention Class of 1961 - Join us for your 60th Reunion.

The committee made preliminary decisions regarding date and location. Specifics will follow. Mark your calendars for June 11 and 12, 2021, at the Hilton Garden Inn on Olentangy River Road, Columbus. We are predicting blue skies, comfortable temperatures, and memories to be made! Contact Eileen Milton Markwood (emarkwood@live.com); Penny Elliott Leese (pleese@socolo.net); Joe Arganbright ([ww\(jarg@tahbenefits.com\)](mailto:ww(jarg@tahbenefits.com))); or Sharon Clark Wheeler (44swheeler@gmail.com) with any questions.

Class of '65 Reunion

Due to uncertainty from COVID-19, the Class of '65 canceled their reunion scheduled for October 2020. The class is planning a 75th birthday party in 2022 and another reunion in 2025. Stay well!

Study Hall or Social Hall and Library?

Found in the 1949 Highlander yearbook.

The study hall was a large room on the second floor at the front part of the GHHS building. Students from any grade were assigned periods to be there depending upon their schedules and were monitored by a teacher. Study Hall was a great place to socialize before and after school and during the lunch period. At some point, not sure when, the hall was converted into four

smaller classrooms.

The Study Hall was the original location of the Grandview Heights Library. On Jan. 11, 1923, the Grandview Heights Board of Education approved a plan to establish a public library and, in June 1924, the Grandview Heights Public Library opened its doors in a room in the Grandview Heights High School. After moving to four different rented sites on First Avenue, the library moved to the present location, 1685 West First Avenue,

in September 1936. The building was built with WPA funds on land donated by George Cambridge Urlin, one of the founding fathers of Grandview Heights. In addition to the high school branch, various branches were added over the years, including Robert Louis Stevenson Elementary School in 1926; an Upper Arlington branch at Miller Park in 1942; and the Tremont Library in the 1950s. In the 1970s, the Upper Arlington Public Library became an independent system, which

included the Miller Park branch and the Tremont Library. The current library is all within one location and does not include any branch locations. It is a founding member and Administering Library of the Central Library Consortium (CLC), a sharing of resources & expenses among 17 Central Ohio library systems cofounded by GHPL in 1988.

Contributing to the GHHSAA

You are the GHHSAA. Without membership support, the GHHSAA would not and could not exist. We graciously thank you for your continued generosity. Here is a breakdown of GHHSAA funding categories. All Friends of the GHHSAA are mentioned in the newsletter published nearest the time after their contribution is received. Support the GHHSAA today! Thank you!

ANNUAL DUES: Every fall, we mail an Annual Membership Request of \$30. This goes to all alumni and it is our hope that each alum contributes this amount each year. This funding is the "bread and butter" of our budget and is extremely important. Please watch for your envelope this fall.

LIFE MEMBERSHIP: A Lifetime membership is \$300. Lifetime members still receive the annual dues request in case they want to donate additional funds. We publish the names of all LIFE Members once every 24 months. A list of LIFE Members is available online at www.grand-viewheightsalumni.com.

PAWS CLUB: Contribution of \$50 - \$99

BIG CATS CLUB: Contribution of \$100 - \$499

TOP CATS CLUB: Contribution of \$500 - \$999

SPECIAL RECOGNITION: Contribution of \$1,000+

IN HONOR OF: Contribution of any amount in honor of a classmate, teacher, friend. Both the donor and the honoree are mentioned in the newsletter.

IN MEMORY OF: Contribution of any amount in memory of deceased classmate, teacher, friend. Both the donor and the deceased are mentioned in the newsletter.

LEGACY SOCIETY: Membership in the GHHS Legacy Society requires a base contribution of \$20,000 or more. The funding establishes an annual scholarship, of at least 5% of the deposited amount, in the contributor's name or in honor of someone of their choosing. All Legacy Society contributors will be listed in every newsletter issue and are listed on the web site.

We take our fiduciary responsibility seriously. You can see the good work your funding accomplishes including this newsletter, alumni events, the website, support of current student activities, improvements and supplies not available in the

regular budget (Robotics, Art, Band, special requests, etc.), and scholarships, scholarships and more scholarships. Your support ensures we stay connected, and together we help continue the legacy that makes us all proud to be a Bobcat.

Make all checks payable to GHHSAA and mail to PO Box 12116 Columbus, OH 43212. Funds are managed by The Columbus Foundation.

Editor's note: We send dues request letters to all alumni, just as we also send the newsletter. We hope you'll give when you can. Donations and annual dues newsletter subscriptions are much appreciated. We couldn't do all we do without you. Thank you for your continued and generous support.
