This photograph was taken at the start of the school year in 1955, and shows Edison Elementary students and their teacher, Mrs. Murray, examining new text books. The books are titled Magic Carpet and presumed to be individual textbooks since each student has their own copy. Good nutrition was also emphasized as indicated by the "Guide to Good Eating" posted on the bulletin board in the background.

President's Letter

Dear Fellow Bobcats:

Thank you for your continued support through your annual dues and other contributions. Your generosity recently allowed the GHHSAA to fund two \$2,500 scholarships, support the "After Prom" and "After Graduation" parties, and an elementary art program. We also provided transportation funds for the GHHS Robotics FIRST Team 128 so they could compete in the World Championship in St. Louis last April. The team finished 3rd nationally and 8th in the world!

Your contributions allow us to maintain the website and publish this newsletter three times per year. Print and postage costs continue to increase. Those who opt to receive the newsletter via email, instead of the mailed hardcopy, save

the GHHSAA considerable funds. If you wish to have your newsletters sent electronically please email your name, graduation year and email address to ghhsaa@hotmail.com.

We have a new webmaster: John Gloyd '71. The website at www.grandviewheightsalumni.com will be more timely updated, more useful and show more GHHSAA current events. If you have any ideas to improve your alumni website, please send them to ghhsaa@hotmail.com.

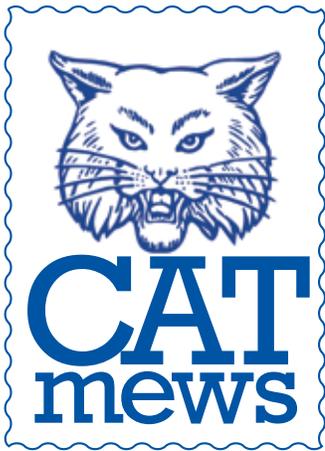

The GHHSAA had our best turnout ever for the Grandview Heights Memorial Day Parade. Many classes were represented from the 50's to our most recent graduates. George "Jimmie" Hecox '40 stole the show by becoming the oldest Alumni to walk the entire parade route. We hope you will join us next year on the Saturday before Memorial Day.

The Class of 2014 will be the 99th graduating class at GHHS. Let's remember some of the earliest GHHS classes that began our strong academic, athletic and talent traditions. The Class of 1916 had only six students: Donald Anderson, Alford Bradbury, Ruth Gatch, Mary Hamilton, Helen Matthews and Kathryn Sullivan. I expect some of you will remember these early Bobcat graduates, and are perhaps related to them. As a tribute, I challenge any who knew these first graduates to share your remembrances by email at ghhsaa@hotmail.com or mail to GHHSAA PO Box 12116 Columbus, OH 43212.

Go Bobcats,

Thanks for sending the newsletter. I enlisted in the Navy for three years after high school and was in the Army Medical Corps during the Korean War. Taught biology and general science for 32 years in Michigan public schools. And now am retired in Sarasota, FL where I keep active swimming every day, dining out with friends and taking several cruises a year. I feel fortunate in still having good health and can enjoy my retirement.

Rosanne Singleton Kopf 1943

Thank you for listing the current Alumnae of the Class of 1943. Reading the names brought happy memories. I left Grandview so long ago and appreciate hearing news of former classmates.

Nelson Leiser 1946

I'm closing the motel in Boone, TN and moving to a house we have in Jacksboro, TN. The motel - Mountain Villa Motor Lodge - is still for sale. It's Boone's finest!

Duane Fraser 1949

Thank you for the great job the GHHS Alumni Association has done over a long time!

Joan Harder Smith 1951

In your last newsletter you requested information about GHHS Sorority Life. I was a member of L.A.L. Sorority 1948-1951 and president my senior year. It was one of the most enjoyable activities of my high school

days. Before football games, we had open houses with other sororities in the CBL League. We met weekly at different members' houses. We planned dances. When I was president I felt we should do more service for others so we planned musical shows that we gave at nursing homes, etc. When I was president, as a special treat, we used my grandmother's home in Upper Arlington for our rush party. One thing that bothered me about sorority life was hurting feelings with voting on new members. Perhaps that is why sororities and fraternities were prohibited in 1960. My Grandview high school days were marvelous! I treasure the memories! Thank you for the newsletter and all the hard and devoted work. We were blessed to grow up in Grandview!

Dave "Dusty" Rhoades 1954

Submitted by Sandy Rhoades, Dave's wife

Grandview Heights and its schools were so important to Dave growing up. It set the tone for his life, as did the B of R. Thank you for all that you do so well to keep that tradition of excellence.

Carolyn Close Rudenske 1954

I received a call from Terry Smith '54 regarding our riding out the storm/tornado in Granbury, Texas May 16. The tornado was headed for our back gate, but

turned, but we did have about 70mph winds and hail the size of grapefruit. We have been through E1 when we were in DeSoto, but not an E4. Thanks to all who contacted Terry and my great friend for 70 years, Carolyn Ritter Kellenberger, who even called the Red Cross trying to find me. Thanks, Terry and Carolyn. Mack and I rode out a big wind storm May 20. We are doing better today. Thanks for prayers.

Tom Thompson 1955

Still living in Naples, FL. Looking forward to our 60th reunion in 2015.

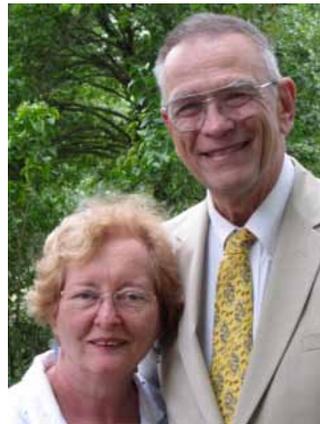

Jane Hess Harris 1956 and

Ron Harris 1956

Ron still teaching at Ohio State as an Adjunct Professor (refusing to retire), and Jane is still a docent at the Columbus Museum of Art (refusing to retire).

Deane Arganbright 1958

Susan and I celebrated our 50th

anniversary September 1, 2012 in Martin, TN. This spring we spent 7 weeks visiting friends and running workshops at previous overseas university appointments in Australia, South Korea and Papua New Guinea. We are both retired, but I still teach math classes online for Divine Word University in Madang, PNG, where I am an emeritus professor.

Ann Machovina Corfman 1958

I would like to thank you and your team for an exceptional alumni organization and newsletter. I am proud of my affiliation with the Grandview Heights Schools. I received an excellent education there.

I would like to speak to your invitation to send remembrances of sorority life in the Spring 2013 alumni newsletter. I would love to have had some memories, however, I was one of the girls who were rejected. I will never forget the evening of pledging and how devastated I was when I realized I was not good enough for membership in either L.A.L. or D.G.P. I cried and cried that night and school was unbearable the next day as I was asked over and over which sorority I pledged.

It took me many years to get over the feelings of unworthiness. Peer approval is so very important during the teenage years and to be deemed unworthy was devastating. When I received invitations to sororities at Ohio State, I threw them in the trash. I couldn't take the chance of being passed over again. I learned later that fraternal organizations were eliminated at Grandview in 1960 and I hoped that the administration finally realized how elitist these organizations were. I was disappointed when I found they were prohibited because of state law.

Years ago, I ran into a Grandview alumni at a children's literature conference in Bexley. She went on and on about how wonderful her sorority was. I was glad for her experiences and just wished I would have been able to have them too. Again, thank you for all your hard work on behalf of alumni. I just wanted to tell you the other side of the story.

REUNION NEWS

Susan Hutchinson Berkhout 1963

I was in the marching band from 1959-63. During that time we had drum majorettes and a Head Drum Majorette. Carol Roan Todd was the head majorette our junior and senior seasons - fall of 1961 and 1962. I am sure there were photos of them with the band in the 1963 yearbook. I just went looking for my copy of the yearbook and didn't find it, but I am quite certain there were photos.

Jerry Butts 1968

I really enjoy the newsletter. As I was reading the latest one, I can across an entry from Tom Barnes '62. It brought back a memory of almost being thrown off the back of his motorcycle at the Texaco station at First and Oxley. Then I found an entry from Patty Carpenter Buchanan Homans '63 who was a friend of my sister Jo Butts Geib '63. Patty lived in Stockport, OH at one time, which is where I live now. When I was beginning to think that the class of 1968 has been lost, I found an entry from Susan Washam Witten '68. I really enjoy reading what people are doing and where they now live. It almost always brings back some memory of living in Grandview. Keep up the good work!

Don Crawford ORCHESTRA

As mentioned in the Spring 2013 newsletter, the L.A.L. held a dance at Columbus Country Club with the Don Crawford Orchestra. Don's real name was Don Hennen and was a Bobcat, graduating from GHHS in 1933!

Don was a manager at the Ohio National Bank on Grandview Avenue. His superiors told him he could not use his real name with the band so he invented "Don Crawford" to lead his orchestra.

Terry Smith of the Grandview Heights Marble Cliff Historical Society let us know that Don Crawford's band was quite popular in the 1940's, frequently at Valley Dale, and performing for many Grandview dances. Don also had the privilege of debuting the hit song, "I Had a Wonderful Time in Columbus" by Kurt Weinberg and Kermit Goell. It was a national hit due to their clever promotion efforts. They convinced Columbus realtors to provide 50 apartments for housing needy World War II veterans. Any nationally prominent radio personality who promoted the song on their station was allowed to match one needy veteran with an apartment. An article in the May 31, 1947 issue of Billboard Magazine indicated that the record trade had never seen such an enormously successful song promotion. Bob Hope was one of the 50 celebrities promoting the song.

Don was also the first president of the Grandview Avenue Business Men's Association.

May, 1947: This photograph shows orchestra leader Don Hennen aka "Don Crawford" playing the saxophone at the GHHS L.A.L. Sorority Spring Commencement Formal at Valley Dale.

Vaud-Villities

& Lowell Riley

By Diana Gonzer Arthur '48

In 1945 and 1946, Grandview and Arlington high school students were treated to two years of vocal music direction by Lowell Riley, former music director for WBNS radio, who had been hired to lead the choirs at First Community Church. Students experienced wonderful, creative musical events, singing popular music and traditional scores, much like today's "swing choirs". He left the schools when he became the full time church music director at the church.

At Grandview, Riley wrote our Alma Mater, introduced by the Grandview Varsity Chorus he created from the best male and female vocalists in the school. The Varsity Chorus performed at many downtown conventions that requested their entertainment. The chorus also sang on the radio every Saturday morning on the Lazarus "High-Jinx Show" for teenagers. When Riley left GHHS, the chorus gave the money earned from its many performances to the school for an auditorium sound system.

Riley was also involved in the original Vaud-Villities – an important part of the fiber of the tri-village area for years. It began as a minstrel show at Upper Arlington High School on March 12, 1943 with 27 singers from the Men's Glee Club of First Community Church which was directed by Lowell Riley. The high school girls of the church's Cloister Choir joined the cast in 1944. With an ever expanding cast of singers and dancers, the show moved to Veterans Memorial in 1961 where it was staged for 49 years. Vaud-Villities now calls the Northland Performing Arts Center on Morse Road its home. This unique production is claimed to be the country's oldest and largest musical variety show.

During a Grandview Varsity Chorus reunion in 1989, Riley was presented with a plaque that read, "In appreciation to Lowell F. Riley for the joy of music, learning and fellowship given to Grandview Heights youth."

Dear Bobcat Alumni,

As summer comes to a close and we prepare for another tremendous school year, a number of changes have occurred at Grandview Heights High School. The most significant change occurred with the resignation of principal Dawn Sayre and the hiring of our new principal Ken Chaffin. Ken has previously served as an administrator in Piqua and Worthington as well as starting his career as a teacher in Marysville. I hope each of you has an opportunity to meet Ken. He has a great vision for the high school and will certainly keep up the tradition of excellence that has been part of our history for many years.

In addition, with the help of a former Grandview Heights graduate, the Industrial Technology area has been totally renovated. Besides an updated wood shop, we now have a computer design center complete with a 3 dimensional printer. We have expanded our class offerings to include robotics. We are grateful to the on-going support of the many alumni that continue to do great things for our children. This room is just another example of projects we can complete that have a tremendous impact on today's students.

This year, we will, for the first time in recent history, be able to offer psychology and sociology. These two courses will be available for both high school credit and college credit. Finally, by the time of this writing, I am hopeful that every class photo will be displayed throughout the hallways of the high school. From our first graduating class to the graduating class of 2013, we will create a special glimpse of the impressive history of our high school.

I hope to see you at one of our many events this fall. Until then, Go Bobcats!

Thank You.

Ed O'Reilly
