President's Letter

Dear Fellow Bobcats:

Once again, thank you for your continued support by sending in your annual dues, and our thanks to the many LIFE members that continue to give. Finally, we truly appreciate our generous Paws, Big Cats and Top Cat Club membership. Your generosity, and the growth of your investment this past year, allowed the GHHSAA to award a \$2,500 scholarship each to Kiley Kinnard, Nicholas Luckenbach and Josie Martina. We also manage the Brotherhood of Rooks fund, and Josh Smith and Jon Sterneker each received a \$1,000 scholarship. We also manage the GHHS Legacy Society Fund which awarded the \$2,500 Carol Sue Greenisen-Herd Scholarship to Sierra Dobbs-Brown and the \$1,000 Wright Family Scholarship to

Tenley Aufdencamp. Congratulations to all the recipients. We're proud of the entire Class of 2014.

The alumni turnout for the annual Memorial Parade was the largest ever. A highlight was George "Jim" Hecox '40 walking the entire two-mile parade route. George rocks (and walks)!

In school news, we say THANK YOU to Ed O'Reilly for his outstanding service as our superintendent for the last 15 years. We will miss him. We extend a warm welcome to Andy Culp, our new superintendent. We commend the elementary and high school principals who just completed fantastic "rookie" years. We greatly enjoyed the ceremony honoring a truly beloved Grandview teacher with the naming of the Larry Larson Middle School. There wasn't a dry eye in the house at the May dedication. And we welcome the Class of 2014 – the 99th graduating class – to our Alumni Association.

The Class of 2015 soon begins its senior year. The GHHSAA, the City of Grandview Heights and the Grandview Heights School System are making special plans to celebrate the 100th graduating class of our awesome childhood community.

Join us on September 5th for the "Retro Jersey" football game. Also, be sure to come out September 26 for the Alumni Night football game – a 100th Anniversary celebration jointly sponsored by the GHHSAA and GHHS. Please let this letter serve as your official invitation to attend this special Alumni game. Band alumni – with or without instruments – are welcome to join the GHHS Marching Band before the game to play the Star Spangled Banner and the GHHS Alma Mater. We would like to recognize Alumni football players, cheerleaders, homecoming queens and courts, Hall-of-Famers, Distinguished Alumni and ALL alumni in attendance. Please e-mail me at ghhsaa@hotmail.com, or send a note with your name and graduation year to PO Box 12116, Columbus, OH 43212 if you plan on attending. We are very pleased that a number of class reunions have planned their events around this date.

Lastly, I continue to enjoy receiving your compliments about the newsletter, but the credit is due to the three people who do the work: Teri Antolino Williams '74, Molly Hammer Tanner '82 and Kathy Koch Gatch '85. They are a dedicated team with true Bobcat Spirit!

Go Bobcats and I hope to see you soon.

Joan Neese Jackson '39

Living in First Community Village. The recent Normandy landing anniversary reminds her of the several post-war years she spent in Germany with her Upper Arlington grad husband, Jim Jackson, who was an officer in the U.S. Army and was the Commander of the Military Police guards posted at the Nuremberg Prison guarding Nazi officials. He was the one who discovered the death by suicide body of Joseph Goebbels. Joan spent time there with him and toured much of the area, agreeing to hold off having family until their return to the States.

Back in the States, when their children were young and they wanted to talk without being overheard they would speak in German. Joan's classmate and close friend Gloria Garder Luke-man '39, who winters in Naples, Florida, is spending the summer in Upper Arlington. For her birthday, Joan's children took her to Paul's Pantry for dinner, which she enjoyed very much.

Rosanne (Posy) Singleton Kopf '43

I have happy memories of Grandview and continue to enjoy life. Enjoyed seeing the recent picture of some of my sister's – Nancy Singleton York '48 – classmates.

Jeanette Tarney Thouvenin '43

I have moved to a retirement center – Copeland Oaks in Sebring, Ohio near Alliance where my stepson is pastor at a church.

Jeanne Weisert Brown '44

Just a short note to say hello from Georgia! Would much rather be back in California playing golf, but it's not too bad here. It's funny how after all these years, my friend Barb Allen Garret '44 and I both ended up in Roswell, GA.

Golf vacation in Destin, Florida, March, 2014 with 1975-77 graduates Jeff Hamilton, Rob Gresham, Marty Vaughan, Duane Teal, Randy Fowls.

Al Cincione '52

St. Mary's in German Village. Many of my friends are GHHS graduates and our grandchildren are attending Grandview Schools. Adam Cincione graduated last year and is now at OSU in Engineering & Air Force ROTC.

Thank you to all involved in our newsletter. It is so great. I find out about classmates and what is going on with them. Thanks for all of your hard work. I miss Grandview, but I like Texas winters better. Go Bobcats!

Bill Fink '55

Attended OSU vs. Cal football game with Craig Prosser '59 last fall. Ran into Nancy Turner Bachman '55 and her husband Tony in line to see OSU Band perform before game.

Sally Jones Morgan '55

Moving to a new location closer to the ferry! Loving life on the island. Spending time with the wildlife shelter, aquarium, walk-

ing and conservation groups, and of course all five grandkids!

Carolyn Welch '55

Looking forward to our 60th in Oct 2015.

Charles Dumbaugh '56

Always great to hear news about Grandview Heights, GHHS and my classmates.

Thanks so much for the great newsletter. Love to read about GHHS grads, historical info, and current GHHS info.

We've been living in Knoxville, TN for nearly 18 years. I'm now retired. Mary is still a big wheel at the University of Tennessee

as the Associate Vice Provost. We're big fans of UT Men's and Women's Basketball, but still bleed Scarlet and Gray during football season!

Gary and RaMarie Whipple Swart '69

Gary and RaMarie currently live in Grove City. RaMarie is retired from teaching and school counseling and currently telecommutes doing media work for businesses. Gary is still working for the State of Ohio in IT and data systems management. Our son, Travis is a USAF Captain and has had two deployments to the Middle East. He is currently serving as an instructor. Both of our fathers, Camden Swart '42 and Charles Whipple '42, were Rooks, GHHS Class of '42. GO 'CATS!!

Jane Barnett Powell '69

Having read of Mr. Hopkins passing, I remember most of all how he helped me to recover

from a not-so-sports injury. From 1966-69, I attended GHHS and participated in many varsity, intramural sports and was a cheerleader. Of course we all knew Coach Hopkins and many were somewhat cautious of interacting with him. There were those "stories" about his rules for his players during the season like not dating, curfew and more.

One night, returning from a field hockey practice at the stadium, other team members and I were hurrying back to the locker room to end our long day. I was hopping over the wire "rope" at the parking lot – the one that kept cars from parking in the grass – when my stick caught it. I fell and fractured my elbow. It was the first and only injury I had during my career at GHHS. You can imagine my embarrassment, right?

I didn't want this to ruin my season and I knew Coach had a whirlpool tub in the boys locker room. The girls did not. Since I was a volunteer helping with typing and chores in his office, he arranged for me to use the whirlpool for faster healing when the locker room was empty. It was so kind of him and he was seeing Title 9 in the foreground.

Rob Grisiam '75

A group of 1975-1977 Grandview grads gathered for a spring golf outing in Destin, Florida last March. The 1975 District golf champions from Grandview – Marty Vaughan, Rob Gresham, Randy Fowls, Duane Teal, and Jeff Hamilton – demonstrated their waning golf skills over four days on the Florida Panhandle fairways. Grandview basketball legend Mike Heine and son also joined the outing. As usual whenever Grandview alum gather, the discussion includes memories and stories of high school days and feelings of gratitude for having been blessed to attend such a special school.

Michael Rill '01

I remember fondly how exciting it was to not only be presented with what at the time was a great deal of money that afforded me a computer to take to college, but how proud I was to be a member of such a grand organization that later fueled my desire for intercollegiate fraternal values!

Editor's Note: Michael receive a Rooks scholarship his senior year of high school. You make the Rooks proud, Michael!

Abigail Hanson '12

Sophomore English major at Ohio Wesleyan University and was awarded the Schubert Scholarship! English Major.

Editor's Note: The Leland F. and Helen Schubert Scholarship is for exceptional first-year students, renewable for up to three additional years of study, allows the student to be considered for the rigorous Schubert Scholars Competition for further scholarship dollars and makes them eligible for invitation to OWU's prestigious Honors Program. Nice job, Abigail!

Correction

Catherine Scanland Brubaker '46

pointed out a mistake in the Spring 2013 newsletter. In that issue, we incorrectly identified one of three GHHS sororities as SOR instead of the correct SOE for Sigma Omega Epsilon. She and Carolyn Crandall McMunn '46 co-founded the chapter. Catherine also founded an Alumna Chapter at Capital University which is now over 50 years old and still strong. We apologize for our error.

That Grandview Connection

Submitted by Roger Wootten '43

In August of 1951, I was out of the World War II Air Force, had completed a degree at OSU, and was in Cambridge, MA studying for priesthood in the Episcopal Church. A part of that training included pastoral work studies serving as a ward attendant and then as chaplain at Massachusetts General Hospital. One morning, I was assigned to visit a patient, a Mr. Lee from Columbus. As Providence would have it, it was Eleanor "Rowena" and Rosemary "Corky" Lee's father, a gentlemen I'd first met on evenings I'd been to their home when taking his daughter out on a dance date when we were at GHHS. We'd not seen each other since graduation. It was a simple Grandview moment for us both, in the midst of his sorrowful illness, a stranger in Boston.

Recognizing his physical discomfort, I asked him if he needed anything. He asked if I might massage his back, something that in my earlier ward attendant phase I'd done for patients many times. I did so, sprinkling his back first with talcum, and then silently praying for him as I massaged his back. Our visit lasted about a half hour, and I departed saying I would see him again the next day. I returned only to find him gone, learning from the nurse that Mr. Lee had died the night before.

In the years since high school graduation I'd lost touch with the Lee sisters. Still I had always wanted to have some opportunity to share this event with them, just a word about my ministry to their Dad, and that even lonely in Boston, their Dad had had a Grandview friend to the very last moments of his life.

Nice "bunny ears" Randy Fowls!

After Prom Party!

2014

Dear GHHS Alumni Association,

Thank you so much for your donation to the Grandview Heights After Prom Party held April 12, 2014. As parents of teenagers, our goal is to provide a safe environment after dancing at the prom. With the help of many generous businesses, we were able to provide these children with a fun location, food, drink, goody bags and gift cards to make it a fun and memorable evening. We appreciate your support!

Sincerely,

Grandview After Prom Committee Parents

In 1914, WWI began, Woodrow Wilson was President, Ford Motor Company announced an 8-hour workday with a minimum wage of \$5 per day, Babe Ruth made his major league debut, the original Mother's Day occurred, and the first graduates of Grandview Heights High School - the Class of 1915 - began its senior year.

Take a walk down memory lane and tour the halls of GHHS. The building will be open prior to the Alumni Night football game and we invite you to take a stroll.

To commemorate 100 years of GHHS graduates, many events are being planned for a year-long celebration. We hope you'll come out for Retro Jersey Night September 5 and a special Alumni Night Football Game September 26. Go 'Cats!

All Alumni are invited to attend the September 26 Alumni Night Football Game. Are you a former band member? Please

join us on the field - with or without your instruments - for the playing of the Star Spangled Banner and the GHHS Alma Mater. All Alumni in attendance will be recognized. Whether you were a homecoming queen, president of student council, a cheerleader, or a science club member, please let us know if you'll be attending. Send an email with name and grad year to GHHSAA@hotmail.com.

Retro Jersey Night

As part of the 100th Class celebration, the football team will be wearing retro jerseys for the September 5 game. Will Retro Jersey Night feature the 1926 "Skeleton" look? Or copy the 1939 version to honor the first undefeated team? Or another look all together? Come find out on September 5 and enjoy the game. We encourage you to wear your own jersey or letter jacket from back in the day.

Go 'Cats!

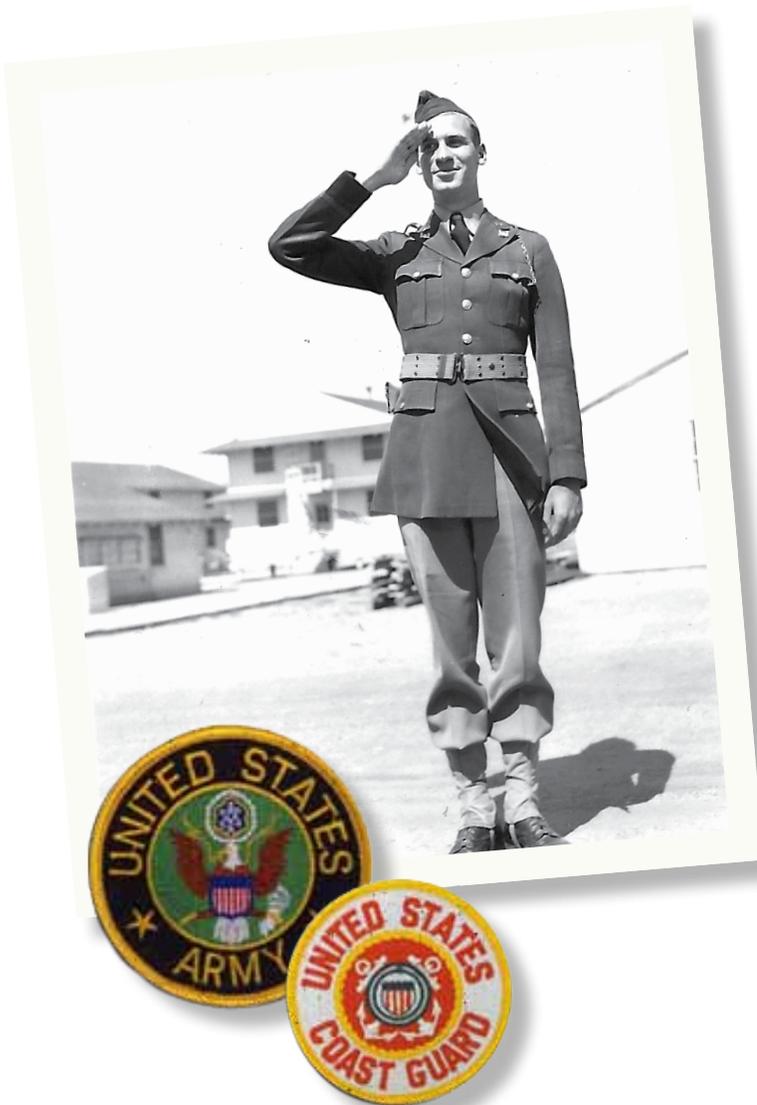

And don't forget about the Alumni Night Football Game September 26.

Distinguished Alumni

2014 INDUCTEES-FALLEN HEROES

Committee members and Chair Roger Rill '67 announce a very special group of Distinguished Alumni inductees for 2014. This year's inductees include all of the alumni who gave the ultimate sacrifice in their military service to the United States of America. The sacrifice of these brave servicemen and their comrades have preserved our American freedoms and way of life, allowing subsequent

generations of families to grow up securely in places such as Grandview Heights.

These young men filled the same community, hallways, classrooms, and athletic fields that we have all been blessed to know. Bobcats all of them – we recognize these men as epitomizing the very meaning of the word "Distinguished" and most deserving of this honor.

Brotherhood of ROOKS

From Christmas banquets to log cabins to bowling a trophy, please enjoy some Rook history...

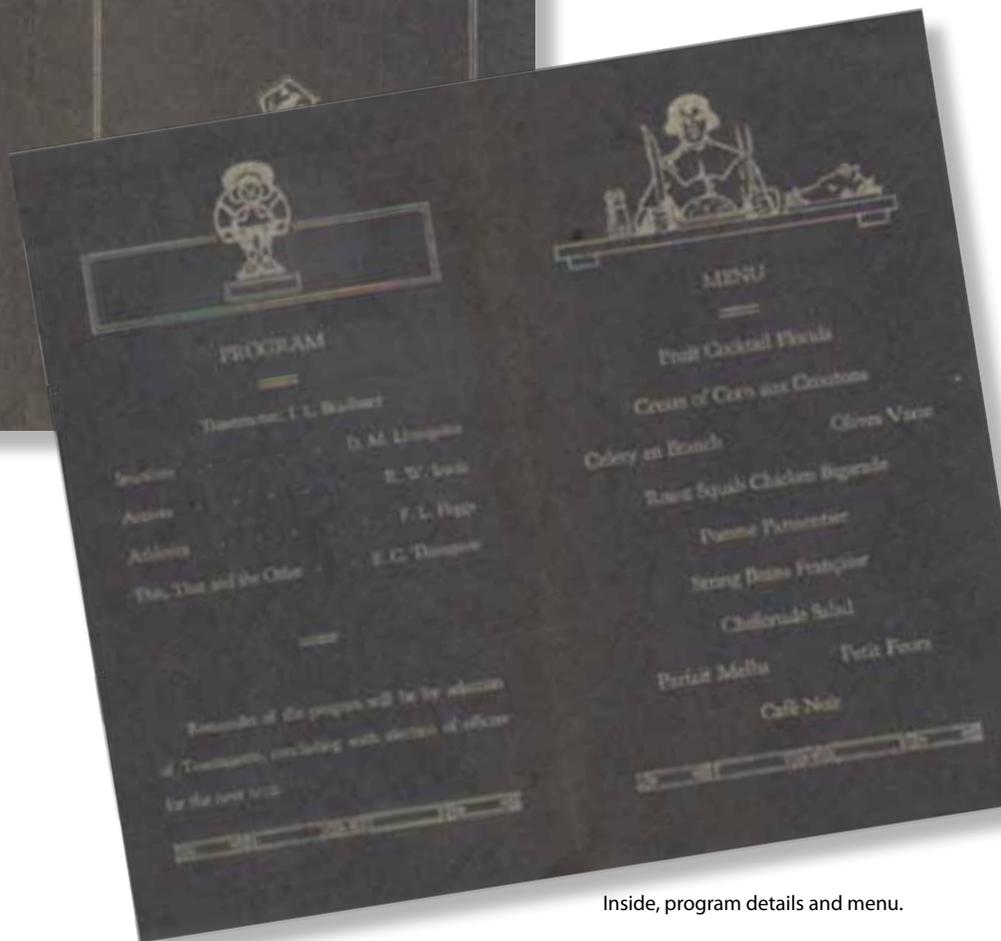

Outside, back cover including membership and pledges, and the program front cover.

Jeff Todd '63 and Carol Roan Todd '63 were going through some of Jeff's family's things and came upon this gem...

Jeff's grandfather, F. W. Paddock '17, was one of the founding members of the Brotherhood and his Dad, Jim Todd '42, was also a Rook. Check out the program for the Seventh Annual Rook Christmas Banquet held at the Neil House on December 26, 1925.

Inside, program details and menu.

Ned Barricklow B of R '64 took this trophy off the Rook House mantel in 1964 when the police came to officially close the house. The trophy inscription reads:

Brotherhood of Rooks Bowling Trophy · 1926 A.G. Bradbury Total Pins 489 · 1927 L.S. Reynard Total Pins 519 · 1928 L.S. Reynard Total Pins 542 · 1929 D.S. Skeele Total Pins 566 · 1930 Louis Herscler Total Pins 532 · 1931 John K. Landaker Total Pins 499

Ned rescued this from a fire in the 70's and protected it for the last 50 years!

Brotherhood of the Rooks cabin
Photo courtesy of GHMCHS

Two unidentified fraternity brothers relax inside the Brotherhood of the Rooks cabin. The cabin was the home of the Garrett Miller family, and was originally located near Cambridge Boulevard and Cardigan Road. It was moved log by log and reconstructed at its current location on Wyandotte Road, where it became the clubhouse of the Rooks. The Rooks used the 18'x20' cabin as a club house until 1920, when the Bronson family, whose son Joe was a Rook, moved and the boys lost the use of the cabin. The group later sold shares in order to raise money for a fraternity house which was located at 1347 Elmwood Avenue. Please contact the GH/MC Historical Society if you can identify the individuals in this photo. Email tdemaria@columbus.rr.com.

The "B" Hockey Team

Thank you for your help identifying the "B" Hockey Team girls. We appreciate the feedback. We don't seem to have 100% consensus, but here's what we've learned so far...

Janice Shough Hays '59

In the last issue on page six, you have a picture of the girls field hockey team with no names. I can identify the following: Starting 3rd from left is Nancy Gehrig, Patty Palmer, Sally Spangler, Jan Elliott, Marcia Williams, Susie Yoerger, Joyce Whitten, Donna Bradshaw. I can't remember the names of the first two or the last two girls. Maybe someone else will contact you with their names. I do know all the names I gave you are girls from the class of 1959. I think the other four were in the class of 1960. I hope this is helpful.

Letter from the Principal

Dear Bobcats,

We hope that your summer has been filled with quality time with your loved ones and many positive experiences and memories that will last a lifetime.

I will begin by saying it would be an understatement to say that we are simply “excited” about the 2014-15 school year and what it means for the students of GHHS. As many of you are aware, we will be celebrating the 100th commencement of Grandview Heights High School on Sunday May 25th, 2015. This day will not only mark an important day in the history of our school, but will also serve as a platform to celebrate the many proud traditions that you have built for our future Bobcats. As we look to the 14-15 school year we have decided that such an important celebration should not be a single event, but rather a yearlong celebration. We will share details as our plans become more fully developed, but we certainly hope you’ll join us for the Alumni Football Game September 26.

I would also like to take a moment to welcome our new Superintendent of schools, Mr. Andy Culp, to Grandview. I have known Andy for several years and I am very confident that he will be a good fit for Grandview Heights for so many reasons. Andy has spent the bulk of his career in New Albany Schools as a teacher, assistant principal, and principal. Most recently, Andy served in the Marysville School district in the role of assistant superintendent. I would describe Andy as being dedicated, charismatic, passionate, and student-centered. He has been working to learn the traditions and culture of our school district and community, and he is clearly excited to get started. If you get the chance, please send him a warm Bobcat welcome to andy.culp@ghcsd.org.

PTBB! As always, Proud To Be a Bobcat!
