## President's Letter

Dear Fellow Bobcats:

The GHHS Legacy Society continues to grow and includes these extraordinarily generous alumni: Bob McNabb '45, Charles Eichhorn '51, Carol Sue Herd Greenisen '55, Bill Neal '55, Jean Walters MacCluer '55, Charles Dumbaugh '56, James M. Wright '69, Barbara Wright '72, and Tim Wright '79.

The Society's real and projected assets of \$500,000 might have never become a reality without Carolyn Rudy Jensen '57. She is the focus of this issue's President's Letter.

I wish I could have known Carolyn better because she was bright, smart, beautiful, and she was relentless. The Society was originally Charles Eichhorn's idea. Carolyn brought the idea forward to the GHHSAA Board many times, and we would nod in general agreement that it was a good idea, but then the Board would reply with, "But what about this?" and, "What about that?" and so it would go, sort of swept into the pile of great ideas unlikely to be realized.

Then, the following meeting Carolyn would return. She would have the answers to all of our "this" and "that" objections. The Board would respond with new questions and concerns and again Carolyn would return with all the answers. Ultimately there were no concerns, no questions, no more "this" and no more "that" and the GHHSAA Legacy Society was born.

The Society commenced in 2012 with Charles Eichhorn '51 and Carol Sue Herd Greenisen '55 as Charter Members. Since 2013, seven additional Grandview alumni have become members. This past year, the Society funded four scholarships, provided books for the high school library, and gave support to the high school music department.

Society membership requires a base contribution of \$20,000 or more. The funding establishes an annual scholarship of at least 5% of the deposited amount to be awarded in the contributor's name or in the name of an individual specified by the contributor.

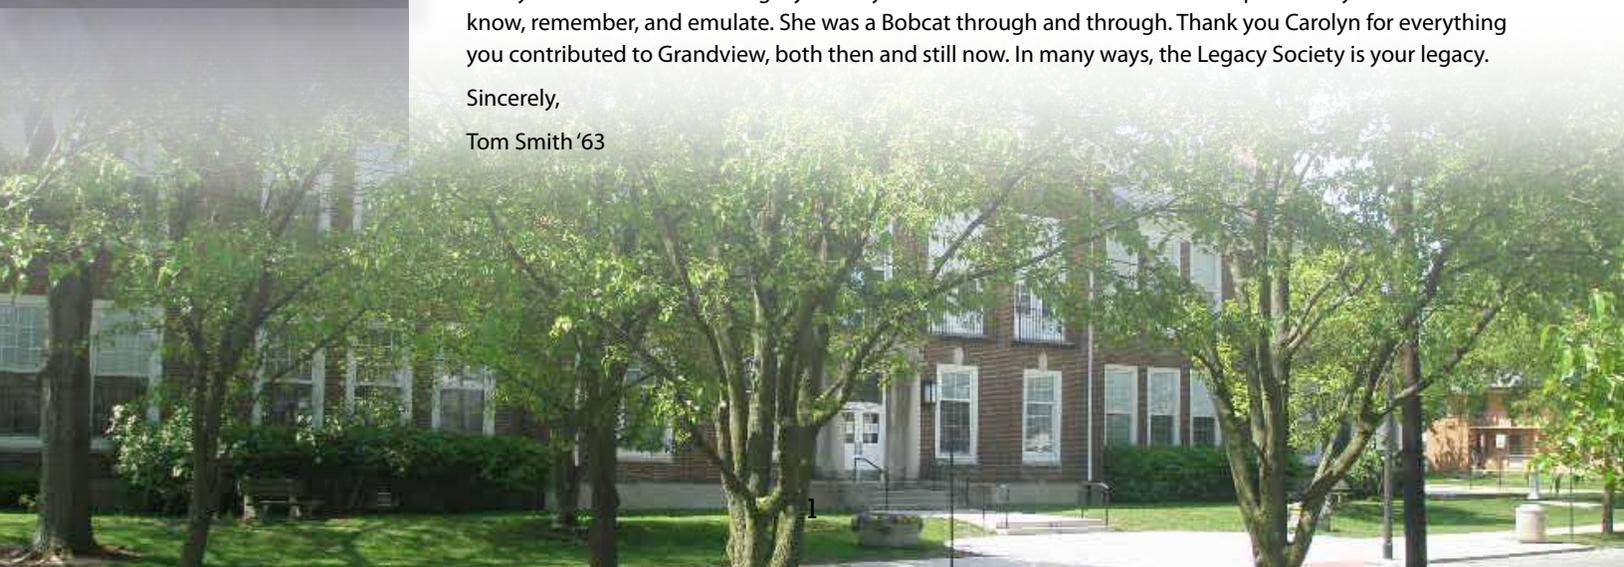

For more information, please email [GHHSAA@hotmail.com](mailto:GHHSAA@hotmail.com) or send contact information to GHHSAA, PO Box 12116, Columbus, OH 43212.

Carolyn passed away February 23, 2013. Thankfully, she was able to see a little of her hard work and determination start to pay dividends. In the fall of 2012, shortly before her passing, she also helped create a fabulous 55th Reunion for the Class of '57. It is hard to see in her face that she knew this was her last reunion.

Carolyn's dedication to the Legacy Society creation demonstrated her Bobcat spirit in ways we all should know, remember, and emulate. She was a Bobcat through and through. Thank you Carolyn for everything you contributed to Grandview, both then and still now. In many ways, the Legacy Society is your legacy.

Sincerely,

Tom Smith '63

## Remembering Carolyn Rudy Jensen '57

From Carolyn's brother  
**David Rudy '52**

Your tribute to Carolyn is well written and a pawn to Carolyn's own legacy. I learned so much about her activities for GHHSAA and the new Legacy Society that I should have known, but did not - mea culpa. Your description of her style of function in the committee would serve as a model for ideal committee membership. That she had a strong personality clearly capable of piercing focus as well as great charm is reflected in your piece. I know that both our brother Ted and Carolyn's husband Dr. Dan Jensen will appreciate the tribute as well.

From Carolyn's brother  
**Ted Rudy '55**

Growing up with four older brothers, Carolyn had to learn to compete with very little quarter given. She did not throw "like a girl" or bat weakly either! It was a shame Title IX came later. She was particularly good in swimming and baseball.

## Happenings

### ALUMNI WEEKEND

**Friday & Saturday  
September 16 & 17**

Please come home, reconnect, and reminisce during alumni weekend:

Alumni Night 2015

#### FRIDAY

**Pregame, 4-6pm**  
High school open house

#### Pregame, 6pm

Alumni band members are invited to march into the stadium with the Pride of Grandview – the GHHS Marching Band – and remain on the field for the Star Spangled Banner. There are a limited number of instruments available for borrowing, if needed. Email [GHHSAA@hotmail.com](mailto:GHHSAA@hotmail.com) for details.

#### Football Game, 7:30pm

Support the mighty Bobcat football team – last year's school history-making state semi-finalist – as they set out to tromp Columbus Academy!

#### Football Game, First Quarter

Alumni cheerleaders are invited to join current cheerleaders during the game's first quarter. This

reunion of multi-generational cheering has been enjoyed by all participants over the last two years! Email [GHHSAA@hotmail.com](mailto:GHHSAA@hotmail.com) for details.

#### Football Game, Halftime

ALL alumni are invited to walk down the track at halftime, especially all classes celebrating reunions throughout Alumni Weekend.

#### SATURDAY

**Tour Lower Schools,  
10am-Noon**

Stevenson, Edison, and Larson schools will be open for walking the halls and enjoying memories.

#### Band Reunion, 1-5pm

Band members from the Classes of '66 through '77 will salute their Band Director Mary Jo Gaskalla in the GHHS Auditorium. Email [GHHSAA@hotmail.com](mailto:GHHSAA@hotmail.com) for details.

# Distinguished Alumni

We congratulate the 2016 Distinguished Alumni. You make everyone proud to be a Bobcat, and inspire today's Grandview youth. Thank you for your distinguished community service, business leadership, and contributions to science, technology, and the arts.

## Bill Baker '61

Dr. William L. Baker is a nationally recognized physicist, contributor, and leader across the entire spectrum of directed energy technologies. The Defense Department defines directed energy as a "weapon or system that uses directed energy to incapacitate, damage or destroy enemy equipment, facilities and/or personnel." Bill served as Chief Scientist, Directed Energy Directorate, Air Force Research Laboratory (AFRL), Kirtland Air Force Base, New Mexico from 2000 until his retirement January 2, 2010. The Chief Scientist is the Directorate's primary adviser on scientific and technical matters, and the primary authority for the technical content and quality of the science and technology portfolio.

The AFRL Directed Energy Directorate is the Air Force center of expertise for directed energy and optical technologies, responsible for all Air Force research and development of lasers, high-power microwave, and advanced optical technologies. The Directorate develops and transitions technologies in four core technical competencies: Lasers systems, high power electromagnetics, weapons modeling and simulation, and directed energy and electro-

optics for space superiority.

Bill was born in Columbus, Ohio. After graduating GHHS, he ultimately received his doctorate in nuclear physics from The Ohio State University in 1969; and served four years of active duty in the Air Force as a nuclear research officer. In 1973, he became a civilian scientist at the Air Force Weapons Laboratory where he performed and led high-energy plasma and pulse power research to develop new techniques to simulate nuclear weapon effects. His work in directed energy weapon technology began with high-energy particle beam weapons.

Bill led a joint effort to develop a unique accelerator and used it to demonstrate stable beam propagation in open air. He then created and led the Air Force high-power microwave weapon technology program. As Chief Scientist, he led research and development on high-energy laser weapons technology and the application of advanced optics to space situational awareness. He was president of the Directed Energy Professional Society 2008 and 2009.

### EDUCATION

1961 Diploma, Grandview Heights High School  
1965 BS Physics, The Ohio State University  
1967 Masters Physics, The Ohio State University  
1969 PhD Nuclear Physics, The Ohio State University

### PUBLICATIONS

Bill has written more than 50 publications in nuclear physics, plasma physics, pulsed power, and directed energy.

## Doug Wilson '64

Dr. Douglas Wilson is a physicist with nationally recognized expertise. Doug has worked for over 35 years at the Los Alamos National Laboratory. The Lab's mission is to develop and apply science and technology to ensure the safety, security, and reliability of the US nuclear deterrent; reduce global threats; and solve other emerging national security and energy challenges.

Doug currently spends time at both Los Alamos, and on-site at Lawrence Livermore National Laboratory, coordinating Los Alamos activities and working to achieve ignition on the National Ignition Facility.

The Lawrence Livermore National Laboratory's defining responsibility is ensuring the safety, security and reliability of the nation's nuclear deterrent. The lab's science and engineering are used to achieve breakthroughs for counterterrorism and nonproliferation, defense and intelligence, energy, and environmental security.

The National Ignition Facility is the world's largest and most energetic laser facility ever built. NIF is also the most precise and reproducible laser as well as the

largest optical instrument. NIF became operational in March 2009, and is the size of a sports stadium – three football fields could fit inside. NIF is making important advances toward achieving fusion ignition in the laboratory for the first time.

### EDUCATION

1964 Diploma, Grandview Heights High School  
1968 BS Physics, Massachusetts Institute of Technology  
1976 PhD Astrophysics, University of Colorado  
1980 Masters Business Administration, Summa Cum Laude, University of New Mexico  
2001 Diplome de Langue with distinction, Alliance Francaise, Paris, France

### PUBLICATIONS

Doug has 84 refereed publications – written by experts and reviewed by experts in the field before the article is published, and 18 technical reports – a document that describes the process, progress, or results of technical or scientific research, or the state of a technical or scientific research problem.

# 2016 Scholarship Recipients

We are pleased to announce the 2016 GHHSAA Scholarship recipients! We are very proud of you all and your extraordinary accomplishments, and wish you great future success.

## Benton Blair

*Ted J. Eaton Memorial Brotherhood of Rooks Scholarship \$1,000*

Benton Blair was born and raised in Grandview Heights. He first lived on Grandview Avenue and then moved to Lincoln Road, where he lives today. He attended preschool at First Community's Mary Evans Child Development Center and then entered Grandview Heights Schools as a kindergartner. Benton was always a three-sport kid until his freshman year when he decided to focus on two sports – wrestling and football. He started out juggling soccer and football, but firmly landed on football. He was awarded the Ernie Godfrey Award, First Team All-League, First Team All-District, and Second Team All-State in football, and was part of the history-making team playing in the State Final Four last year. Benton also qualified for the wrestling state tournament that year. He was named MVP of his wrestling team his senior year. Benton worked hard in the classroom, graduating with honors and as a member of the National Honor Society. He will pursue his next academic and athletic endeavors at Denison University where he will play football.

## Colin Elliott

*Alumni Association Scholarship \$2,500*

Colin will attend Georgia Tech to study engineering with a specific engineering field to be determined. He is excited to pursue study abroad and internship opportunities in college, and wants to use the knowledge he gains to create something that makes the world a better place. He is honored and extremely thankful for the scholarship.

## Jackson Furbee

*Mary L. Derivan Teacher Scholarship \$2,500*

Jackson Furbee enjoyed membership in the GHHS National Honor Society, Marching Band, Jazz Band, and on the track and field, and football teams. He served as co-captain of the cross country team as a senior, and earned second team All-MSL honors as a junior. He was

a multi-sport Scholar Athlete and was named an Advanced Placement Scholar by the College Board. He was the GHHS Outstanding Citizen and the Hugh O'Brian Youth Leadership ambassador his sophomore year. He was chosen to serve as a HOBY Junior Facilitator the last two years.

Jackson served as student council vice president his senior year, and participated in the high school musical for two years. He founded AEDs4Grandview, through which he raised funds to purchase an automatic defibrillator for Pierce Field, and taught classes to raise public awareness of hands only CPR and AEDs.

As a junior, Jackson traveled to Tecate, Mexico with First Community Church to build a house for an impoverished family, organized a book drive for Children's Hospital, served as a mentor through Mentoring and More, and as a 6th grade camp counselor. As a senior, he studied Arabic at OSU through the OSU Academy, earning a 4.0. He was a member of the GHHS In the Know team which advanced to the quarterfinals. He was recently named a Catalyst for Positive Change by Syntero, Inc. and was honored by the OHSAA for sportsmanship, ethics, and integrity.

Jackson is employed part-time at Figlio of Grandview. He will attend Kenyon College to study International Relations, foreign languages, and economics.

## Georgia Mattingly

*Carol Sue Greenisen Scholarship \$2,500*

Georgia will attend Miami University to study Biology with a pre-med co-major. She hopes to go on to medical school in order to pursue a career in pediatrics. Georgia enjoys hanging out with friends and family, watching 80s movies, and practicing yoga. She is becoming a certified yoga instructor this summer. She is truly honored to be the Carol Sue Herd Greenisen Scholarship recipient and looks forward to furthering her education in the science field. Georgia thanks the Legacy Society for the generous scholarship.

## Emma McLeod

*Alumni Association Scholarship \$2,500*

Emma has lived in Grandview and attended Grandview schools her entire life. She was class president and also student council president. She was a member of golf, softball, and swim teams, as well as National Honor Society, Mentoring and More, and the science club. Dur-

ing her high school career, she babysat and worked a part time job during the school year and as a lifeguard in the summers. Her favorite class was always biology. Emma has decided to continue her love for science studying Agriculture at The Ohio State University.

### Micah Miller

*Bill Neal Scholarship \$1,500*

*Ted J. Eaton Memorial Brotherhood of Rooks Scholarship in the name of Bill Neal '55 \$1,000*

Micah is honored to receive both the Ted J. Eaton Memorial Brotherhood of Rooks Scholarship and the Bill Neal Scholarship. He will attend Wittenberg University with an interest in business law and international business. He wrote, "Growing up in Grandview has been a true blessing. As I got older, I realized how lucky I am to get to know almost everyone in this great community. I couldn't have asked for a better school and community to help reach my personal and life goals."

Micah was the varsity goalie for the state runner-up soccer team his junior year, and helped guide the soccer team to a district title his senior year. He also helped lead the basketball team to a district title that same year. He expressed gratitude the GHHSAA for such generous scholarships.

### Taylor Oberschlake

*James W. and Mary Lou Wright Scholarship \$1,000*

Taylor wrote, "I am truly humbled to have received the James W. and Mary Lou Wright \$1,000 Scholarship. This scholarship means a lot to me because it has touched my heart in a very personal way. I hope to carry on Mr. and Mrs. Wright's legacy of compassion, kindness, and genuine deep concern for the well-being of others. I am a second generation graduate, as both of my parents, Cindy Christman Oberschlake '72 and Tim Oberschlake '72, are Grandview graduates. Thank you."

Taylor was a class officer, member of student council four years, marching band four years, concert band four years - squad leader two years, National Honor Society, varsity cheerleader, women's swimming, Spanish club, Student of The Month, Mentoring and More, Principal's Council, involved in plays and musicals four years, and was especially proud to play the lead role of Esther Smith in Meet Me in St. Louis her senior year. Taylor will attend Wittenberg University studying Theatre/ Theatre Education and Arts Management.

### Kira Thomas

*Alumni Association Scholarship \$2,500*

Kira was part of several clubs, activities, and athletics during her high school years. She was on the varsity soccer team all four years, captain her senior year leading the team to the first district and regional title in school history, in addition to playing in a state semi-final game. She was part of Mentoring and More and student council. Kira volunteered at Franklin County Board of Developmental Disabilities instructing and interacting with children who have special needs. She is also a summer volunteer soccer coach. She wrote, "Through my curricular and extracurricular activities, I found a true passion for helping others. As a result, I will be attending Capital University majoring in Nursing in hope to make a difference in other's lives."

### Luke Treasure

*Ted J. Eaton Memorial Brotherhood of Rooks Scholarship in the name of Bill Neal '55 \$1,000*

Luke spent much of his high

school career playing sports. He was team All-League football junior year, and First Team All-League, District, and State senior year. He played basketball, tennis, and baseball throughout high school, and was named a scholar athlete in all eight of his varsity sport seasons. He expressed thanks to everyone for this financial assistance. Luke will attend Ohio University studying both marketing and logistics.

### Emma Wheeler

*Jean Walters MacLuer Scholarship \$2,500*

Emma was a four-year varsity team member of both cross country and track and field teams, a member of National Honor Society, and served on student council. Emma played the tenor saxophone in the marching band, concert band, and the wind ensemble throughout all four years of high school, and played in the jazz band her senior year. She also participated in a variety of volunteer activities around the community including volunteering at the Ohio Craft Museum and at St. Mark's Episcopal Church. Emma will attend The Ohio State University with an intent to study Psychology.

**Constance Zeller Hollingsworth '40**

I am writing in response to Betty Lou and Jerry Roth from the Class of '40 and their recent news. When I attended Grandview, I played the piano in the orchestra during junior and senior years. If my memory serves me right, Jerry and Betty Lou were high school sweethearts. Congratulations to them on 71 years of marriage. It is a goal few attain. Hopefully, I will attend the Grandview Alumni Night in September.

**Dorothy Haynes Elliott '43**

I have been living in this condo since February 2012. Get out seldom and then only short trips. Entered college nursing and graduated from five-year program in 1947. Married John Elliott in 1988, working mainly in the operating room. John died in January of 2001.

**William C. "Bill" Masser '43**

When I received my copy of the alumni newsletter I was very interested in the list of Veterans. I was especially interested in the Class of 1943, which had only two members listed as veterans. Since this was my class and we

were in the middle of WWII, I would say that almost 100% of the young men from this class, as well as the Class of 1944, were veterans of this conflict.

I was a student at Grandview for only one year, my senior year. It was very difficult for me to leave a school I had attended for 11 years and go to a school where I knew no one. I could not thank the students and the teachers of Grandview enough for the way that they accepted me and made me feel welcome.

Grandview Heights was and still is one of the best places in the world to live and raise a family. Thank you Classmates of 1943 for making my years there filled with nothing but GOOD MEMORIES.

I was very sorry to learn of John Hartwell's passing. My deepest condolence to Gloria and John's family.

*Editor's note: We will continue to expand the list of GHHS graduates who served our great country. Our information is only as good as the information you provide. Please continue to send*

Dick and Nancy celebrating his 90th birthday and her 85th in January 2016.

*in names, grad years, branches of service, and years served, and we'll continue updating and publishing the list. Thank you for your help!*

**Richard Pickett '43**

Dick passed in May with his family around him in Dallas, TX. He was 90. He was married to and is survived by Nancy Parks Pickett, Class of '49.

**John Ackerman '47**

Silvio Bisciotti '47 and I entered the Army the same day November 15, 1950. Bill Baumgartner '47, my best friend in high school, went in the Marines about a year later. I ran into Clark Miller '47 while in Japan. I am not sure about Jim McIntyre '47. I think he was in the Army, too. Bill Seidler '48 was in the Marines and was disabled in service. Lots of Bobcats served!

**Jean Chard Brandt '47**

Graduated from Upper Arlington, but went to Grandview for many years. My sister Phyllis Chard Johnson '42 and brother Ken Chard '43 both graduated from Grandview. I love attending the monthly luncheons and seeing old friends Diana Arthur, Jackie Cherry, Dee Elliott, and others.

Richard Pickett and Nancy Parks at Valley Dale Formal in 1948.

**Dick Keitz '47**

Thank you very much for a fine salute to the men and women who served in the Armed Forces. I would like to correct my brother Donald K. Keitz '44 service. He was a combat Marine in the 3rd Marine Division 9th Marines and received the Purple Heart for wounds suffered on the island of Iwo Jima. My brother Bob Keitz '39 is listed correctly as USMC. Keep up the good work.

**Sylvia Edmondson Hites '49 and Jim Hites '48**

Jim was a family physician 30 years, and Sylvia worked in his office many years. Jim changed

Renewing friendship and brotherhood: Bob Ewing, Sid Hall, and Al Pierce – all from the Glorious Class of '53 – at the Rooks banquet in 2015.

to locum tenens medicine for 24 years more, flying in from Ohio to Alaska so other doctors could study or vacation. We kept up our continuing education and licenses. Jim was doctor for the autumn 1986 voyage of Semester-at-Sea and we went around the world studying with 500 college students and faculty. Amazing! Became part of The Friendship Force in Atlanta and hosted / visited on international exchanges.

We scouted and skied with our four children and Presbyterian Youth Groups, etc., and had music and precious family times at the Grand Lake cabin. We now have grandsons and precious great-grandchildren. We helped at several Indian reservation clinics and schools, and spent some Thanksgivings and Christmases in remote Alaskan villages. We also spent parts of some winters in Arizona. Jim is in his 6th year of retirement and we have slowed down considerably. Still enjoy summers and fall at Grand Lake. Sorry we missed 2013 Reunion. We feel very blessed for great foundations and friends from GHHS. Keep up the newsletter. Thank you!

### **Nona Toops Raines '49**

We grew up in the brick house on the corner of Cambridge Boulevard and West Third Avenue in Marble Cliff. After extensive renovations, this house was selected to be in a recent Tour of Homes. Several years ago, I returned to the old homestead, and was graciously granted a tour of the renovated house, and was properly impressed by the changes made by the present owners. Guess I didn't appreciate the house while living there, when we had to shovel clunker coal and later stoker coal into the fiery furnace

several times a day to try to keep warm! Mother heated soap stones in the oven each night and we wrapped them in towels to try to get our feet warm! Also remember pushing our manual grass mower around our large lawn and each fall hand raking endless leaves from more than 17 Elm trees which later succumbed to Dutch Elm Disease.

Have fond memories of being in the First Community Church choir singing every Sunday morning, and also singing in Lowell Riley's high school choir and the very first Vaud Villitties at the Ohio Theatre on Broad Street in downtown Columbus. Wonderful memories. We were blessed to grow up in the Grandview school system!

The five Toops siblings all graduated from Grandview. Thorndike Toops, now known as Cliff, graduated in 1941 (I think). He was in the Navy during WW II and is a retired psychiatrist living in Lompoc, CA. He is now 90 years old. Edward Toops '44 is now deceased. He became a nuclear physicist and retired as a Lieutenant Commander from the US Navy. Marian Toops Abrell '48 died last year. She was a retired school teacher and remedial reading specialist and resided in Encinitas, CA. Nona Toops Raines '49 is a retired Occupational Therapist having worked with special-needs children and veterans for 36 years. She lives in Naples, FL. Laurence Toops '53 is retired from several aerospace companies and worked as an aeronautical engineer. He lives in Newbury Park, CA.

### **Anne Turley Bruick '49**

"Pete" our Phys Ed teacher loved "her girls" and we loved her too. She introduced field hockey, volleyball, track, and

*Carolyn "Connie" Griffin '52*

other sports to us and we were allowed to play against other schools. This was before Title IX. My time at GHHS was a joy for me. I never met anyone who was unfriendly, maybe shy, but the experience was great, the teaching was great, and the friends real.

### **Carolyn "Connie" Griffin '52**

I served in the USMC from July 1952 to August 1957 as a Photographer and Lab Technician. Picture is in my much younger years, but brings back lots of memories, the most exciting part of my enlistment was playing on three ALL MARINE CORPS basketball teams – championship teams! My service was nothing compared to what women go through in today's USMC. I'm glad I didn't have to go to war or even war zones. My service was at Camp Pendleton, California – MCRD in California, and Hawaii, after starting

out MCRD Parris Island South Carolina Boot Camp. I'm proud of my title "Former Marine", as the saying goes, "Once a Marine, Always a Marine".

### **Virginia Carter Paul '54**

Thomas Moore said that you can never go home again, but he didn't grow up in Grandview Heights, Ohio and go to Grandview schools in the 1950's.

There have been changes for good. For example, custodians do not have to set up chairs in the auditorium/gymnasium for an assembly in the morning and take them down for a basketball game in the evening. Walking the halls and seeing pictures of previous graduating classes brings back wonderful memories. The middle school now includes the Edison Elementary building. Robert Louis Stevenson is the only elementary and includes the kindergarten. The

old kindergarten is the Board of Education building. Grandview Avenue looks almost the same just different business. You can still cut through where Longs Drug Store was located and look at the photos of years gone by.

The staff of the GHHSAA newsletter are truly appreciated and I thank you for all you contribute and do. The Grandview Board of Education, principals, teachers, support staff, parents, and students are to be congratulated on the outstanding job they are doing. "Grandview We Sing of Thee Your Praises"!

**Nancy Bachman Turner '55**

We had some money left over after our reunion last October. It is our policy to keep a couple of hundred dollars for seed money for our next reunion and give the rest away.

The reunion group here in central Ohio met and voted to give the money to the high school. It is to be used for improvements that need to be made for the 2nd floor Media Center which was donated by the Brotherhood of Rooks a number of years ago. The center gets tremendous use and the need was evident. We are proud to be able to send our check for \$350 and to give back to Grandview over the many years since we graduated.

**Carolyn Welch '55**

Our 60th reunion was best yet! Thanks to Nancy Turner Bachman and the reunion committee.

**Rick Yearick '55**

Rick first studied art under Grandview art teacher Ruth Pickering. He credits her as the inspiration behind his application for a scholarship he received to the Columbus

College of Art & Design. "I would have never have gone to CCAD if it had not been for the encouragement from Miss Pick," says Rick.

That scholarship led Rick to a long and rewarding career on the business side of the arts with such companies as Crayola, Hallmark Cards, and his own art licensing firm, Art Makers International. Throughout his career, Rick never put the paintbrush down, winning many awards and selling hundreds of paintings along the way.

"Travelling near and far inspires much of my art," Rick says, "But I will always return to Grandview Heights because in my heart that will always be home!"

Today Rick paints from his studio in Saint Petersburg, Florida taking inspiration from the tropics, his adventures, and everyday life. He continues to

show his work in select galleries and by appointment.

Take a look at Rick's paintings on his website at [www.RickYearick-FineArt.com](http://www.RickYearick-FineArt.com).

**Karen Paul Gibson '56**

My brother, Gene Paul '54, was a career Army man. He joined the Ohio National Guard in about 1957 and transferred into the regular US Army a while later. He served as a helicopter pilot on several tours of duty in Vietnam and retired sometime in the 1990s I believe. He died in 2009 and is survived by his wife Mary Ann, son Gene III, and daughter Claudia Romigh, as well as two granddaughters.

**Thomas H. Sandberg '56**

Thanks for the continuing newsletters. Always enjoyable to read what's going on at GHHS and reading about the old classmates. Still residing in the woods of west Tennessee, wintering in West Palm Beach with

the kids and grandkids, and side trips to kids in San Antonio. For your "Military Update", please note Thomas H. Sandberg, Sr. '56 Major, USMCR, Retired Commissioned 1960, Retired 1984 Best Duty – Floating in the Mediterranean. Keep up the good work and thank you.

**Bill Baker '61**

My life changed forever June 26, 2015. My wife had sudden cardiac arrest. I called 911 and did CPR for 30 minutes until EMS arrived. They got her heart started, but did not expect her to live. Marvelously she did, but suffered extensive anorexic brain damage. She came out of the coma with no memory. After nine months she had made significant recovery, but most memories from the past are lost, unless recreated. I hope she will be able to connect with the Class of 1961 in August. We have moved to senior living.

Ken Grace '75

### Ron Flowers '66

Been in the warehousing/trucking business for over 25 years. Married to wife Cyndi Flowers. Have five children and eight grandchildren and we reside in Dublin, Ohio. Veteran of US Army – served 1967-1969. Hobbies include playing golf and riding my Harley Davidson motorcycle.

### Ken Grace '75

Story By Chris Bournea

Article originally published in ThisWeekNews, Bexley prior to July 4th.

When residents gathered along the Bexley Independence Day celebration parade route Monday, July 4, grand marshal Ken Grace will be there to greet them. The Bexley Celebrations Association, which sponsors the local Fourth of July events, selected Grace not only as this year's grand marshal, but will also recognize him as the 2016 Citizen of the Year.

"I was quite stunned when I received the call from Mayor (Ben) Kessler," Grace said. "It is quite an honor."

Grace stood out because of his involvement with the Developmental Assets Resource Network, a local organization that helps Bexley students and families in need, said Nicole Kelly, a BCA representative who is heading up the Independence Day morning activities. "He has headed up one of the most successful initiatives that DARN has done," she said. "He has headed up the bicycle repair and donation area of DARN."

With the help of Bexley Middle School eighth-grade students, Bexley police, members of his church (Bexley United Methodist Church) and other volunteers, Grace refurbishes donated bicycles that DARN in turn distributes to students.

"I'm in my sixth year doing it. The first year, I started out with only five bikes," he said. "I have a feeling next year, I'll be looking forward to doing my 500th bike." Grace receives donated bicycles from a variety of sources, including drop-offs at his house. "I have a sign out front that says, 'Donate Bikes Here,'" he said. "That's how people started to notice."

In his letter nominating Grace for Citizen of the Year, Chevy Seidel, a Bexley Middle School eighth-grade language and literature teacher, said Grace helps teach students the importance of community service.

"Ken's ideas and efforts have helped dozens upon dozens of Bexley Middle School students to focus their efforts on learning a little bit about bike repair, but learning even more about what it means to be a caring and productive citizen," Seidel wrote.

"The bike project has opened up horizons for students in need – offering avenues to transportation, productive activities, learning, pool and play," Amy Thompson wrote on behalf of the DARN board.

A native of Grandview Heights, Grace and his wife, Terri, the school nurse at Maryland Avenue Elementary School, have lived in Bexley for 12 years. They have two teenage daughters who attend Bexley schools.

When he's not repairing bicycles, Grace works as a part-time

### Hammer Time

Sisters Susan Hammer Doherty '80, Karen Hammer Cameron '81, and our CatMews graphic designer Molly Hammer Tanner '82 pose with a rickshaw puller in Durban, South Africa. From Johannesburg and up through the Drakensberg Mountains, their trip focused on the art and craft of South Africa. A trip of a lifetime, the sisters recommend taking an extra suitcase for all the treasures you'll buy.

administrator with Columbus Public Health. He previously retired as an administrator with the Ohio Department of Health, where he worked to expand Medicaid coverage for children.

Grace said his passion for helping youth is why he continues his work in bringing new life to old bicycles so that children use them for fitness and recreation.

"Anymore, I'm into showing people how to fix bikes, rather than fixing them myself," he said. "It's a perfect relationship for an adult to teach a child how to help out."

Anyone who would like to donate bicycles may do so by contacting DARN at [www.darncares.org](http://www.darncares.org).

#### **Stacy Sterneker '84**

Beginning May 1, Tri-Village Mentor League welcomed Stacey Sterneker '84 as its new Director. The TVML provides ex-

cellent programming to all ages in Grandview and Upper Arlington. Sterneker taught at Boulevard Preschool for ten years and has been extensively involved in the Grandview Heights community, including co-chairing the Grandview Heights/Marble Cliff Education Foundation Gala. She brings great enthusiasm for TVML's mission. Stacy and her husband are raising five boys in

the Grandview Heights school system.

The mission of the Tri-Village Mentor League is to provide mentoring-related experiences, education, and opportunities to elementary school age children. The mentor league operates Mentoring and More, a weekly school year mentoring program where high school students mentor youngsters in the Grandview Heights and Upper Arlington school districts. The program serves up to 150 youth each year. Historically, a significant proportion of the GHHSAA scholarship recipients have participated in this program!

"The job seemed like a perfect fit for me," says Stacy. "This community has been such a great place to grow up, live, raise kids, and work. This is a way to give back and stay involved in the community." Besides the mentoring program, the organization helps coordinate eligible youth in the area to attend the Tim Horton Children's Foundation Summer Leadership Camps. It also awards scholarships each year to graduating seniors on merit and need basis.

Congratulations proud parents Janice Callihan Roberts '65 and dad Tom Smith '63, GHHSAA president. And congratulations Stacy! We love seeing a Bobcat at the helm of the TVML!

TVML is a nonprofit, tax deductible organization. They hold an annual "Bid and Benefit" fundraiser at Our Lady of Victory social hall, this year occurring on November 18, 2016. For more information on this event or the Tri-Village Mentor League please visit [www.tvml.org](http://www.tvml.org).

#### **Carrie Thurness Rubio '94**

Carrie did stints as a makeup artist and fashion stylist at Henri Bendel and Leal in Columbus. At the age of 23 she decided to pack up her bags and move to NYC where she continued her career. After eight years, she decided to pack up again and head to Boston to be near her big sister Amy Thurness '89. It is in Boston that she met the love of her life, Anthony, and they married in August 2011. Carrie left the beauty biz for a job managing a successful dental practice. Carrie and Anthony just celebrated their first child. Son Guerin's first birthday was March 27.

#### **Elaina Vimmerstedt '12**

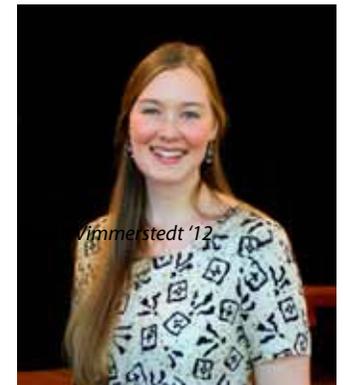

Elaina Vimmerstedt '12 graduated spring 2016 Summa Cum Laude from Wittenberg University with a degree in music education, and is this year's recipient of the Wittenberg Music Department's Jan Bender Award.

The Jan Bender Award was established in honor of the late Professor Jan Bender (1965-1975). It is awarded to a senior whose performance both academically and musically has been excellent, and whose contributions to the Music Department have been outstanding.

While at Wittenberg, Elaina sang in the Wittenberg Choir and the Weaver Chapel Choir, and played clarinet in the symphonic band and chamber orchestra. In addition to her ensemble membership, Elaina performed

as a mezzo soprano soloist in Handel's *Messiah* her junior and senior years, and in the music department's opera studio.

She was a member of several national honoraria including Alpha Lambda Delta, Omicron Delta Kappa, Pick n' Pen, and an active member of the Ohio Collegiate Music Education Association. She also worked as a volunteer for Springfield Promise Neighborhood in their afterschool and summer programs.

Elaina was the recipient of GHHS Class of 1962 Memorial Scholarship in 2012. Harkening back to her experience as a Camp Oty'okwa counselor in high school, Elaina is currently working at the Glen Helen Outdoor Education Center in Yellow Springs, Ohio, and teaching voice lessons to local students.

Elaina is a third generation GHHS graduate. She's the daughter of Renee Hall Vimmerstedt '82 and granddaughter of David Yoerger '56.

# VETERANS

## We Salute You

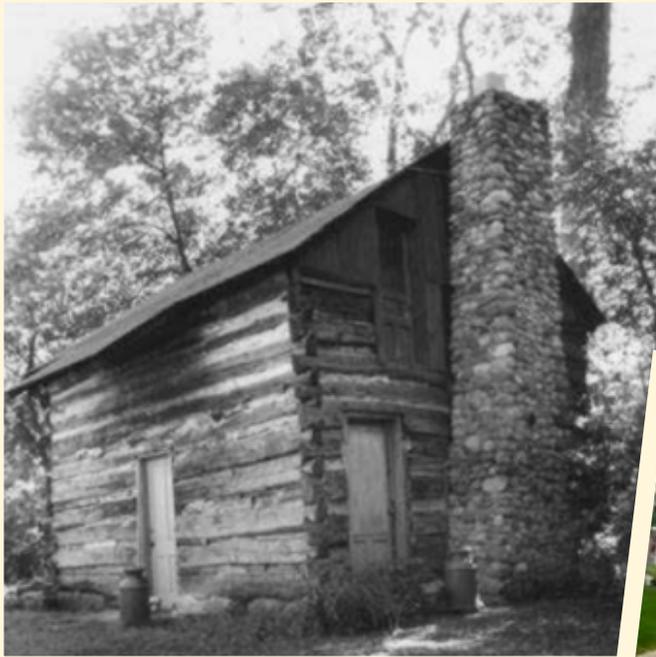

We continue our commitment to honor all Grandview veterans by collecting and maintaining a list of all names, graduation years, and branches of service for all alumni who served. Here we expand on the list first published this past spring. Please continue to send in the names and details for all alumni who have served our great country, and we will continue to grow the list and maintain the record of Bobcat service!

# Brotherhood of Rooks

Then: The original Rook log cabin house is south of Bluff on Wyandotte.

Now: In 1921, members built the new house that still stands today at 1347 Elmwood.

This year marks the 102nd year of the continuing existence of the Brotherhood of Rooks Fraternity that began in 1914 with Charter Members Joe Bronson (he had the log cabin), Maurice Hendershott, Al Bradbury, Francis Paddock, Bob Page, and Ellis Rogers, and the first two pledges, known as "Skunks", Lyman Markel and Bradley Skeele.

## CORRECTIONS

In our spring issue we shared a picture of a Grandview teacher retiree gathering. George Gornall was identified as Bob Gornal, Jack Ladyga was identified as Jack Lataga, and Penny Leese's name was askew. Please accept our apologies.

Also, same issue, Patricia Lane '46 should have been included in the list recognizing the Class of '46 70th Anniversary.

## The Gaskalla Years Band Reunion

Join us for a gathering of GHHS band alumni to honor and share memories with and about Mary Jo Gaskalla, GHHS band director 1965 through 1974. We will convene Saturday, September 17, 1-5pm in the high school auditorium. Details on Facebook at "GHHS Band Reunion '65 - '74", <https://www.facebook.com/groups/1754355121462358/>. To volunteer time, talent or treasure, or for more information, contact Jim Anderson '72, [janderson0947@gmail.com](mailto:janderson0947@gmail.com), or Renda Radcliff Sullivan '73, [renda17@gmail.com](mailto:renda17@gmail.com).

Mary Jo Gaskalla, GHHS band director, 1965 through 1974

And don't forget that all former band members are invited to march into the stadium with the Pride of Grandview GHHS

Marching Band and remain on the field for the playing of the Star Spangled Banner.

## Remember Art Class?

Ruth Pickering Freidenstein taught Art at GHHS from 1948 to 1974. She taught strong fundamentals and allowed for free form and interpretation in an area where many students sought refuge from traditional academics. From sculpting, drawing, and painting to string art, mosaic, and photography, there were no mediums of creative avenues left unexplored. She could do it all. How do you remember her? Submit your memories to [GHHSAA@hotmail.com](mailto:GHHSAA@hotmail.com).

# Contributing to the GHHSAA

You are the GHHSAA. Without membership support, the GHHSAA would not and could not exist. We graciously thank you for your continued generosity. Here is a breakdown of GHHSAA funding categories. All Friends of the GHHSAA are mentioned in the newsletter published nearest the time after their contribution is received. Support the GHHSAA today! Thank you!

**ANNUAL DUES:** Every fall, we mail an Annual Membership Request of \$30. This goes to all alumni and it is our hope that each alum contributes this amount each year. This funding is the "bread and butter" of our budget and is extremely important. Please watch for your envelope this fall.

**LIFE MEMBERSHIP:** A Lifetime membership is \$300. Lifetime members still receive the annual dues request in case they want to donate additional funds. We publish the names of all LIFE Members once every 24 months. A list of LIFE Members is available online at [www.grandviewheightsalumni.com](http://www.grandviewheightsalumni.com).

**PAWS CLUB:** Contribution of \$50 - \$99

**BIG CATS CLUB:** Contribution of \$100 - \$499

**TOP CATS CLUB:** Contribution of \$500 - \$999

**SPECIAL RECOGNITION:** Contribution of \$1,000+

**IN HONOR OF:** Contribution of any amount in honor of a classmate, teacher, friend. Both the donor and the honoree are mentioned in the newsletter.

**IN MEMORY OF:** Contribution of any amount in memory of deceased classmate, teacher, friend. Both the donor and the deceased are mentioned in the newsletter.

**LEGACY SOCIETY:** Membership in the GHHS Legacy Society requires a base contribution of \$20,000 or more. The funding establishes an annual scholarship, of at least 5% of the deposited amount, in the contributor's name or in honor of someone of their choosing. All Legacy Society contributors will be listed in every newsletter issue and are listed on the web site.

We take our fiduciary responsibility seriously. You can see the good work your funding accomplishes including this newsletter, alumni events, the website, support of current student activities, improvements and supplies not available in the regular budget (Robotics, Art, Band, special requests, etc.), and scholarships, scholarships and more scholarships. Your support ensures we stay connected, and together we help continue the legacy that makes us all proud to be a Bobcat.

Make all checks payable to GHHSAA and mail to PO Box 12116 Columbus, OH 43212. Funds are managed by The Columbus Foundation.

# From the Principal's Office

Greetings Bobcats! We hope that this issue of the GHHSAA newsletter finds you well, and that you have enjoyed a fabulous summer spent with family and friends. In my role of principal, summer is a time for planning and also a time for reflection. I found myself fondly looking back on last year's many successes filled with high levels of Bobcat pride.

The 101st GHHS Commencement was one of many positives. We awarded diplomas to graduates who were clearly accomplished and prepared for the world. The Class of 2016 was small with 71 graduates, but definitely mighty. They shattered previous total scholarships dollars offered, and were one of the most athletically decorated classes in GHHS history. They were also part of the 11th straight Superior rating for Grandview Singers, enjoyed another successful season of the Pride of Grandview Heights Marching Band, and so many other accomplishments.

U.S. News and World Report also took notice. In its latest high school ranking, GHHS ascended 733 places in its national ranking to #941, and rose 50 places statewide to #38 among Ohio schools. Much of the increase is due to the more rigorous coursework our students accomplished in AP (Advanced Placement) classes. Five years ago, we had 24 students taking 30 AP courses. This fall, we project that 160 students will complete an extraordinary 360 AP courses!

The way that our students respond to challenges is nothing short of incredible, and this is but only one example among many. One thing I know for sure is that our students will consistently meet and usually exceed expectations!

As we begin a new academic year, we hope you will join us Alumni night September 16 and for homecoming on September 23! Once a Bobcat, ALWAYS a Bobcat!

PTBB (Proud To Be a Bobcat)!

Ken Chaffin

Principal of Grandview Heights High School
