## President's Letter

Dear Fellow Bobcats:

Thanks to each of you for your continuing support by sending in your annual dues and especially to the many LIFE members who continue to send additional money every year. Also, thank you to the many contributors to the Paws, Big Cats, Top Cat Clubs and In Memory.

The end of summer and early fall are such exciting times. Our new senior class thinks back on their journey and their hopes for the future. The new freshman are not sure what to expect. Football is in the air and the band has been practicing all summer and ready to show off. The Ox Roast and the Alumni Weekend are around the corner. Reunions are being held and plans finalized. It is also a time to reflect how fast time has flown by and remember friends and classmates who are not lucky enough to still be here to enjoy the greatest little town and best high school in the world! This year also brings the Class of 2018 starting their senior year, and the 100th anniversary of the third GHHS graduating class - the Class of 1918. I hope everyone who lives locally had a chance to swim in or at least see the new pool.

The Class of 2017 received scholarship awards from the GHHSAA, GHHS Society and the Brotherhood of Rooks that totalled more than \$20,000. Most award recipients are announced in this issue.

Our living "LIFE" members are also listed in this issue. We thank them for their ongoing support and money they continue to give.

Thank you to my "Angels" for putting this newsletter out and getting me the praise. Without Teri Antolino Williams '74, Molly Hammer Tanner '82 and Ash Reynolds Babbitt '87, the dedicated team with true Bobcat Spirit, we wouldn't have this great paper! Thank you also to John Gloyd '71 for doing such a great job as our webmaster.

## New Band Uniforms

Lots of fundraising and donations from community groups and alumni far and wide afforded the Pride of the Bobcats to look snappy in their new uniforms. Donations included more than \$13,000 from alumni alone! The Band will be sporting their new uniforms this fall and for many seasons to come. Pictured here is Matt York, class of 2018, squad leader and baritone player in the marching band. Get to a football game this fall - Alumni Night is Sept. 8th. We're sure the band will look great and sound even better too!

## Greek Gathering

Jane Davis '53, along with Joan Stevens Rigal, Diane Caskey, Sylvia Reid, Janice Lusk, Mary Larrick Schmertz and Cathy Peacocke, were able to identify many in this picture that was submitted by Bill Marland '64. The name of the sorority is Delta Gamma Pi. It is thought this picture is of their Formal Initiation since everyone is dressed up and the girls wearing corsages are the new members (mostly Class of 1955). Based on who is in the picture, our eagle-eye Bobcats estimate this picture was taken either Autumn Semester 1951 or Winter/Spring Semester 1952.

## **Elizabeth (Betty) West Hanna Class of '40**

Eighty-nine years ago I started first grade at Edison Elementary School in Grandview Heights. There was 1/2 year enrollment in those years. I was 6 years old - no kindergarten enrollment then.

I still remember some of the grade school teachers, including Miss Clark and Mrs. Justice, one of the few married teachers. Her husband was Harry Justice, who sang our school songs with gusto. There was also Miss Partridge who kept a stuffed partridge on top of the coat room partition. Then, there was Miss Flanders who taught 4th grade. She was a kind woman who tried to teach me math. She was followed by Miss Smith in 5th grade who was determined to teach me math. To my horror, she always also my 6th grade teacher ruining my last year of grade school. So many memories.

And there was Miss Laughlin, the principal of Thomas A. Edison. She was very strict and terrifying. We were instructed to go right home after school let out at 3:30 p.m. So we did. But, as several of us lived on streets close to school, we reported in at home and came back to the school yard to play. Miss Laughlin came out of the building, saw us and herded us into the school, threatening six scared little kids with all manner of things, by showing us three different sized wood paddles and telling us what would happen to us if we ever disobeyed her orders again. Of course, we were too terrified to explain we had gone home first.

In high school, there was Miss Derivan, Miss Truckmiller (who also taught my father-in-law her first year of teaching in Pickerington, Ohio, and also my children at GHHS during the 60's), and Miss Peterson, the gym teacher who taught us so many things, including field hockey, modern dance, archery, bowling and on and on. Our football games were always Friday afternoons. We got out early for the games with sometimes a parade.

The town of Grandview Heights was a wonderful place to grow up. We walked everywhere. Few kids owned cars in the 30's. We walked to the swimming pool, down below the hill and to Grandview Woods off Grandview Avenue to pick May flowers for picnics. In the winter, we walked down Urlin Avenue and over Goodale and across the railroad tracks to go sledding on Vancie's golf course. We were able to play games in the street as few cars went down Ashland in the 30's. We walked down Grandview Avenue to Goodale Avenue to watch the circus unload in the summer. We took a lot of Sunday afternoon walks past the Bush Mansion to take pictures. And, our library was first in several storefronts on First Avenue before the one at First and Ashland was built. Always a wonderful place to spend time. Yes, the good old days were just that. Good memories to look back on.

## **Patsy Bruner '51**

I did some guessing but believe I could come up 16 names of the girls in the photo published last issue.

## **John J. Mock '51**

John passed away Feb. 2, 2017. He served four years in the Coast Guard and is survived by three sons and one daughter.

## **Art Miller '57**

Looking forward to 60th Reunion in August!

## **Jean McQuilkin Carfagno '57**

Great Spring newsletter! I would like to add names for military service you left out: Mike King, deceased, U.S. Army, Class of 57, and Mick Moore, deceased, U.S. Army, Class of 57. I saw both in uniform and since Mick was my husband, I can confirm his service His only active duty was the 1965 LA riots which were frightening. Peter Moore did serve in the US Navy and is deceased. I am looking forward to our 60th reunion in August. Go Bobcats!

## **Dean Arganbright '59**

Susan and I made the trip from our home in Martin, TN, to Grandview to be in the 2017 Memorial Day parade and to attend an alumni lunch with

brothers, cousins, and spouses. We continue to enjoy maintaining contact with many friends from our 15 years living overseas.

## **Melinda Miller Jones '61**

My husband, Gordon Jones (Class of 1960) passed away in May 2014 of cancer and Parkinson's. I live near my son and daughter and five grandchildren. I travel, volunteer and return to Grandview every year. My town in Connecticut is very much like Grandview - a great place to live.

## **Don R. Athearn '52**

I graduated from The Ohio State University in 1956 and was commissioned as an ensign in the U.S. Naval Reserve. I served three years active duty, achieving the rank of Lieutenant. I served an additional six years in the active and inactive Naval Reserve. After leaving active duty, I went to work for the Ohio Credit Union League in Columbus. I continued in credit union management for 39 years. I retired from SunState Federal Credit Union in Gainesville, FL, in 1997 after having served as president/CEO of credit unions for more than 30 years. My wife of 61 years, "Mac" McNamee Athearn (West High, Class of 1954), and I have two children, five grandchildren and one great granddaughter. We are enjoying our retirement years in Gainesville and travel around the United States and Canada as much as possible. I volunteer for Habitat for Humanity and am active in our local Kiwanis Club. Thanks for the newsletter and all the great things the GHHSAA does for the kids in Grandview Heights schools. Keep up the good work.

**Patty Pulliam Rodriguez '68**

I remember this day well. It was January 1964 at the McKinley Drug Store across from Oxley Field. Pictured, from left to right, are Susan Lemmon, Patty Pulliam, Karen Williams, Julia Friel, Tom DeStefano and Alan Daniels. It was a freezing day. We were walking around before we had to return to school after Christmas Break so we stopped in to warm up with hot chocolate.

**Class of 1955**

The Central Ohio group gathered together on May 17th to celebrate the fact that all of us, all over the USA and Sweden, would be turning 80 during 2017. Of course, there are a few exceptions! We had a great time visiting and enjoying lunch.

## Class of 1977

will hold their 40-year reunion on Sept. 8 and 9, which is also Alumni Night at the Football game and Ox Roast Weekend. Please contact Chris Wandel Casavant at chriswcasant@gmail.com or 614-935-0167 for more information and/or to register.

## Class of '87 Reunites

More than 30 members of the Class of 87 gathered the weekend of July 8-9 for their 30th reunion. The festivities began with a tour of the high school and then continued with a celebration at Hofbräuhaus at the Grandview Yard. The following day, a family potluck was held at Wyman Woods. It was a great event and many thanks to Erin Guzik Ortman and Kristin Janusz Pease for organizing it and also to all who attended.

*Class of 87 members revisited "The Bench" during their tour of the school. It was, of course, the very first time anyone pictured here had ever sat there.*

The drinks, stories, photos and even "shot-skis" flew as the Class of 87 reunited at Hofbräuhaus.

## Grandview's Greatest Girls' Basketball Coach Ever

Every few decades, Grandview is fortunate enough to attract a coach of exceptional talent, character and class, who stands out head and shoulders above their predecessors. This is especially obvious in the case of Doug Eckert, head girls basketball coach at Grandview High School from 1980 to 1992.

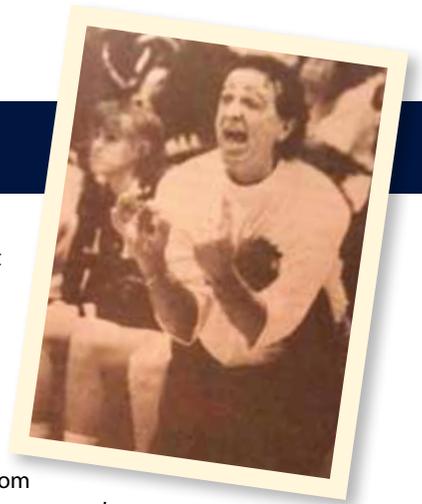

Doug graduated from Colonel Crawford High School in Leesville, Ohio, and played basketball, baseball and football while in high school. He received his undergraduate and Master's degree from The Ohio State University. After teaching for three years at his alma mater, he was hired at Grandview. After a few years in the junior high athletic departments, he was offered the head girls' basketball position by then Athletic Director Larry Larson. Doug took over a struggling program and

immediately turned it around to one of the most amazing win-loss records (percentage) ever in the history of Grandview Athletics - that includes all sports, boys or girls. In his 12 years as head coach, his overall record was 214-52, an 82% winning average. This was in 2-3 leagues during his tenure when Grandview was always the smallest school in the league.

Doug never had a "favorite team" or a "favorite player." He loved them all. He did coach many girls who later became members of the Grandview Athletic Hall of Fame - Heather Abbott; Michelle Chavanne; Emily Mountz; Lisa Janusz; Amy Lee; and Gina Burke. His teams were league champs several times during his 12 year tenure. His most memorable game was during one of his last years of coaching.

Grandview's fiercest rival at the time was North Union. There was no love lost between the two teams. It was a late season game and a grudge match for sure. The gymnasium was packed - it was standing room only and maybe the last time the gym was SRO since. The girls pulled out a victory and the fans rushed the floor. Another memorable game was the same year in the regional finals in Dayton. The girls came one bucket from going to the Final Four of the state tournament.

Doug retired from coaching in 1992 and continued to teach various subjects and serve as a counselor until fully retiring in 2010. Doug married a Colonel Crawford graduate and they have two grown sons. Grandview Nation is richly blessed to have Doug Eckert as part of our

legacy.

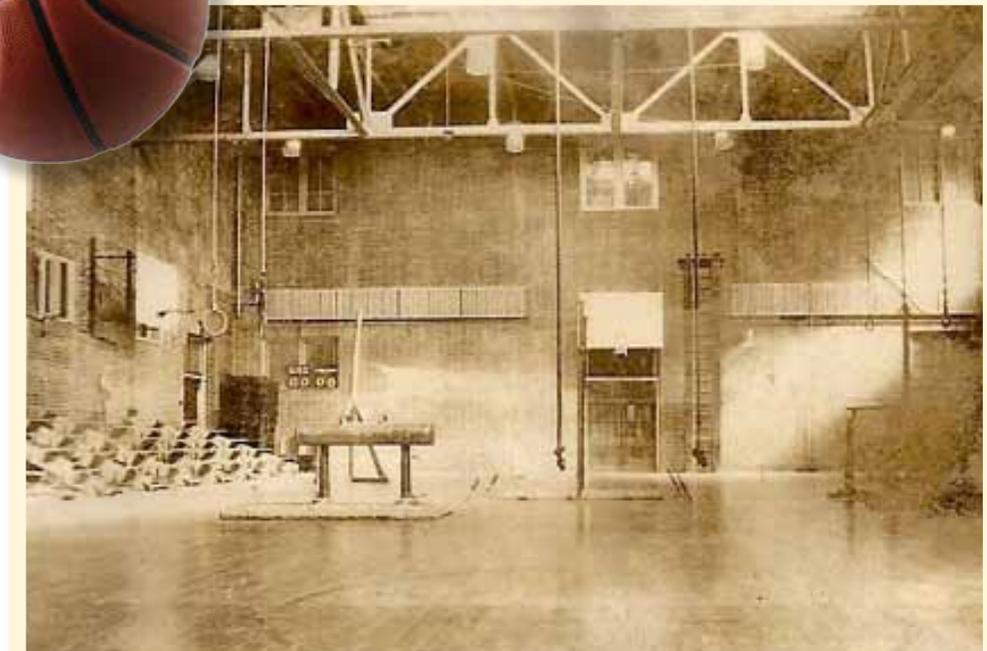

Larry Larson, legendary Grandview coach, athletic director and teacher says "Doug Eckert was one of the finest coaches I was ever associated with at Grandview. His passion and knowledge of the game of basketball led the Grandview girls program to the highest level in the school's history. Coach Eckert's teams were well schooled and played with the greatest of intensity. It was a wonderful era for Grandview and I enjoyed every moment of it. I enjoyed having Doug as a coach and still enjoy having him as a friend."

## Our GYM-dandy Auditorium - Circa 1922

One of the distinguishing features of the new high school in 1922 was the inclusion of a combination gymnasium and auditorium, which included a stage and movable chairs. The dual-purpose gym and auditorium with removable seats was state of the art. This early photo shows the space configured as a gym with a pommel horse, climbing ropes, and gymnastic rings. The space was renovated as a permanent auditorium in 1957 when a new gymnasium was built. This view is facing east.

If you recall, it was overhauled again a few years ago with cushions added to the wooden seats and acoustical improvements.

*We work closely with the Grandview Heights Marble Cliff Historical Society. Recently they received this picture of the original circa 1922 GHS gym/auditorium. They thought that some of the alumni from before 1957, when the new gym was built, might enjoy seeing it. You bet we do! Thanks GHMCHS!!!*

## Corrections

Last issue under 'VETERANS We Salute You' in '1958', Diana Matthews Lowery is listed. This should be DAN LOWERY.

In our High School Honey section in the last newsletter, we incorrectly said that John DiPetro was retired. NOT YET! He is vice president of Operations for ClarkDietrich, the largest light gauge metal framing company in North America.

## It all began in Study Hall

**Joe and Judy Arganbright '61**

Joe and Judy Arganbright knew each other in junior high, but it wasn't until their freshman year that they "noticed" each other. The first week of school their freshman year, they found each other sitting right behind each other in 7th period study hall. Joe was quite shy back then (living in the shadow of his twin brother John), but finally got up the courage to engage Judy in conversation. That was the start of a four-year period of "going steady" and hardly ever letting more than a day go between seeing each other. The toughest times were on the game days of baseball or basketball games, when Coach Dick Hopkins

forbid any of the ball players to speak to any girls --- period. Joe swears that he never "crossed the line" for those four years, but Judy doesn't buy that. After graduation, Judy's parents thought it would be a good idea for them to go to different colleges so Judy attended Miami University of Ohio, and Joe went off to Muskingum College. After a miserable experience for both Judy and Joe during that first semester, they convinced Judy's parents (Don and Mary Such) into having Judy to come to Muskingum for the second semester. Then, they spent their

entire spring break convincing both sets of parents into allowing them to get married before their sophomore year. It worked and they were married on Sept. 8, 1962. Those five years of dating and going steady all end up as a wonderful 55-year marriage. And to think it all started in a study hall!

## Singers gotta sing...

**Jack Launer '74 and  
Diana Wooton '74**

both grew up as neighbors in Grandview with his house on Wyandotte Road and hers on Elmwood Avenue. They met while both were Grandview Singers in Swing Choir and performed together at various community events. It was while singing the Holiday Song "Merry Christmas Darling" to each other, that they realized their mutual attraction, and combined interests and started dating soon thereafter. After high school, they eventually went their separate ways but reconnected 30 years later. Both were single, and they found each other once again. They were married July 15, the same date as Diana's parents' anniversary, and live in Grandview.

All Friends of the GHHSAA are mentioned in the newsletter published nearest the time after their contribution is received. Support the GHHSAA today! Thank you!

**ANNUAL DUES:** Every fall, we mail an Annual Membership Request of \$30. This goes to all alumni and it is our hope that each alum contributes this amount each year. This funding is the “bread and butter” of our budget and is extremely important. Please watch for your envelope this fall.

**LIFE MEMBERSHIP:** A Lifetime membership is \$300. Lifetime members still receive the annual dues request in case they want to donate additional funds. We publish the names of all LIFE Members once every 24 months. A list of LIFE Members is available online

at [www.grandviewheightsalumni.com](http://www.grandviewheightsalumni.com).

**PAWS CLUB:** Contribution of \$50 - \$99

**BIG CATS CLUB:** Contribution of \$100 - \$499

**TOP CATS CLUB:** Contribution of \$500 - \$999

**SPECIAL RECOGNITION:** Contribution of \$1,000+

**IN HONOR OF:** Contribution of any amount in honor of a classmate, teacher, friend. Both the donor and the honoree are mentioned in the newsletter.

**IN MEMORY OF:** Contribution of any amount in memory of deceased classmate, teacher,

friend. Both the donor and the deceased are mentioned in the newsletter.

**LEGACY SOCIETY:** Membership in the GHHS Legacy Society requires a base contribution of \$20,000 or more. The funding establishes an annual scholarship, of at least 5% of the deposited amount, in the contributor's name or in honor of someone of their choosing. All Legacy Society contributors will be listed in every newsletter issue and are listed on the web site.

We take our fiduciary responsibility seriously. You can see the good work your funding accomplishes

including this newsletter, alumni events, the website, support of current student activities, improvements and supplies not available in the regular budget (Robotics, Art, Band, special requests, etc.), and scholarships, scholarships and more scholarships. Your support ensures we stay connected, and together we help continue the legacy that makes us all proud to be a Bobcat.

Make all checks payable to GHHSAA and mail to PO Box 12116 Columbus, OH 43212. Funds are managed by The Columbus Foundation.
