President's Letter

Dear Fellow Bobcats:

Many thanks to those who provide continuing support by sending in annual dues. I'm especially grateful to the many LIFE members who send additional money every year. All living LIFE members are listed in this issue and we salute five of these LIFE members from the 30's - Dr. Robert Burrell '34, Helen Geren Pierce '36, Louis Ardit '38 (he attends all the Alumni Luncheons), Clyde Williams '38 and Cloa Jeanne Case Rose '39. Also, thank you to the many contributors to the Paws, Big Cats, Top Cat Clubs, Special Recognition, In Honor and In Memory. Your contribution allowed the GHHSAA, GHHS Legacy Society and Brotherhood of Rooks to award \$25,000 in scholarships to members of this talented class. Details are in this

issue.

Every year, we lose too many great alumni. Please take a moment to remember your friends and classmates who have passed this year. This issue celebrates our newest alumni - the Class of 2019, who represent the 104th graduating class with 78 new GHHS graduates.

Halloween windows were painted last October on Grandview Ave for the first time in decades and people and merchants were so pleased, we will do it again. Many thanks to last year's Brotherhood of Rooks pledge class and the 1968 pledge class for their efforts to bring this tradition back.

Golfers, please save the date of Saturday, Oct. 12, for the first annual GHHSAA Golf Outing. Further details are on page 13.

GHHS Principal Robert Brown stepped into some big shoes and filled them well. He did a great job. Congratulations on a successful "freshman" year.

Save the date for the upcoming events shown on page 7.

I served in the Army Medical Corp during the Korean War. I enjoy being active by swimming every day and going on three cruises each year.

Albert Andrews '45

The newsletter is great and it's good to see GHS is as great as always. I remember Tank Karlovec, my Rook big brother, and "Nero" McNabb, my fellow pledge, as great friends. I play tennis with a "Weed" racket, made by fellow Rook Tad Weed. I remember Tamara Batholemew (46) and her husband Tom Sutphen – also Helen Linsey and Bonnie Lindsey – two beautiful girls from '46.

Lennelle Daugherty McKinnon '54

The friendships and education I received at GHS have continued to provide me with a rich and meaningful life. So many memories still resonate. We were indeed fortunate to have excellent teachers, strong friendships, and

a rich social experience. I will return as often as possible but Grandview is with me always.

Charles Dumbaugh '56

We are still living in the Beacon Hill neighborhood of Boston, on the most photographed street in North America.

Lowell Clark, MD '57

I enjoyed reading Mr. Weaver's military accounts in the last issue and thank him for his service. I was also in the Air Force earlier in precarious times. When I graduated from medical school in 1965, it was a given that you would join or be drafted into the military. Two of us scurried over to Lockbourne Air Force Base. They had advertised openings in a fighter squad for two MDs to serve five years of Active Reserve duty. It was high risk for a trip to the Philippines and Saigon but a spot at least. At the squadron office, we were informed that the two doctor openings had been filled the day before. My

Grace's Garage

Do you remember Grace's Garage on Mulford at Hope? Neighbors were probably not too happy to see all the cars lined up and waiting for Jim Grace '73 and his magic touch. Grace's Garage has now moved to Bexley and is owned by Ken "KR" Grace '75 with bikes lined up for service. Catch all this activity on Facebook as "Re-Cycle Bikes" and learn how 120 bikes a year are returned to the community.

Jerry Grinstead '75 and Bill Moore '75 stopped Grace's Garage to learn the details about the shop. Working with youth (does your church youth group, Scouts, etc. need a project?) and

anyone who is willing to help is the key to getting things done. They also liked the speakers that "KR" designed and built during his college days. Wow, when you are young and bullet-proof you can do almost anything. But, being old and having a "life is short" attitude has its advantages too.

The group also discussed relaunching a trip out west this year. Jerry, Bill and KR, along with Mike Burkley '75, previously used to camp and backpack together and want to do it again. If you are interested in joining, contact KR via Facebook or Instant Messenger. Just be willing

to admit you know one member of this crew. The idea of taking an Amtrak train to head west was discussed. That means the

possibilities to get in trouble are endless. Stay tuned!

friend started crying something about we were going to die. My feelings were that we had tried. We still had two more hours before starting night call as interns, so I drove over to the main AFB building. My good friend was still crying "My wife and my four kids - what will they do?" Suddenly, I heard pool balls being racked up. We found an ART Airman First Class playing pool. Long story short, he was in charge of a Military Airlift Flight active reserve unit who needed two doctors. We signed up on the spot and the rest is history.

Robert Ramely '54

I'm retired from University of Nebraska Medical School where I worked in the department of Biochemistry and Molecular

Biology. I'm currently determining total genome DNA sequences of thermophilic bacteria from natural hot springs.

We thought it was about time to bring all the alums up to date on Judy and me. Judy Turner was my high school sweetheart while we were seniors at Grandview. When we graduated, we were talking about getting married. However, in 1957 we all had a "military obligation" and I went off to serve my country. One thing led to another and we drifted apart. Judy moved to Florida and I started working for an Engineering firm in Columbus that required travelling all over the country. We lost contact. She married in

Florida and I married in Nevada. After my second wife passed in 2009, Judy and I reconnected and were married in 2011. I tell everyone we were engaged for 54 years. I turned 80 in January and she will be 80 in July so we are having a joint 80th birthday party on June 22 in Summer-ville, SC. I have been meaning to write to get recognition for my Army service and wanted to let you know that my brother Joel (Class of 1955) was in the Army as well. Also my brother W. Rex (Class of 1969) was a Marine. My brothers are living in Phoenix, AZ.

Marilyn Durrant '65

I work part-time as an in-home mental health therapist where I work privately with seniors – a

senior working with seniors!

Simon Peter (Pete) Dunkle '19

On behalf of myself and my whole family, thank you so much for awarding me a scholarship! Your contribution will ease the financial burden of college. I am grateful for the experience of attending Grandview Heights City Schools and thank all of you for making my dream of college come true. Moving forward with my education at Bowling Green State University, I will make the most of my college experience, in hopes that one day I will be able to contribute financially to someone in need, just in the way that you are supporting me.

Halloween Tradition

The paragraph and picture below are from the archives of the GHMCHS. We love that such important things are available to anyone at their website. Such a joy to peruse the history of our special town and the memories of growing up there.

Continuing with a long-standing tradition, a Grandview student finishes his painting on the window of a Grandview Avenue Avenue business while bystanders marvel at his handiwork in this 1948 photo from the Karlovic collection. Stores on both sides of the Bank Block business

section would display student artwork, decorate the sidewalks, and allow the window painting to celebrate the fall holiday season. Students and residents would also participate in games and other activities on the block around Halloween. The Grandview Heights Marble Cliff Historical Society has both written and photographic materials that indicate this tradition started as far back as 1925.

Many thanks to Fred Towns '55 for these past Halloween pictures. He wrote "Your request for pictures of previous halloween

paintings is answered! Here are four paintings done by Pauline (Polly) Towns '62, who is pictured in three of them and gave permission for them to be sent. The one at P.J. Ruddy Plumbing was done in 1955. The rest are from later years. Other than the "Ghost Clipper," all are based on popular songs of the time."

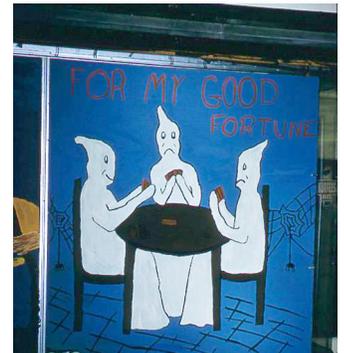

A Tour through Time

Six historic homes in the Grandview Marble Cliff communities will be open for the Grandview Heights/Marble Cliff Historical Society's Tour of Homes, held Sunday, Oct. 6. The VIP Private Tour package includes brunch and cocktails and is from noon to 1 p.m. The General Tour is from 1 to 5 p.m. On-street parking is available for all tour homes. Total walking distance is under 2 miles. Comfortable shoes are recommended. For more information or to purchase tickets, visit the Society's website at <http://www.ghmchs.org/hometour2019.html>

Following a Legend

By Joe Arganbright '61

Following a legend can be a daunting task. Imagine following Woody Hayes, Bear Bryant, John Wooden, Bobby Knight, Paul Brown or Vince Lombardi? Try following Ernie Biggs, arguably the most famous and accomplished college athletic trainer in the history of college athletics. Well, that's just what Mike Bordner '63 more than successfully did.

Back in 1957, Elvis Presley had a #1 hit "All American Boy" that started with the words "So gather around cats and let me tell you a story about how to become an All-American boy." I'll paraphrase - So gather around Bobcats and let me tell you a story about Grandview's All-American boy - Mike Bordner.

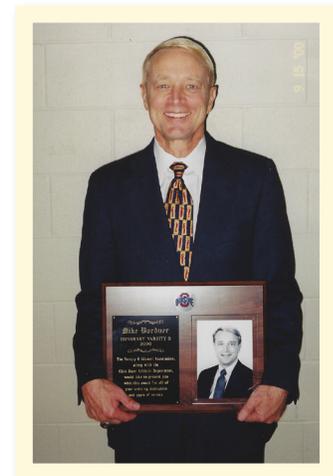

Mike was raised half-way down the hill of West First Avenue. His father, Dale Bordner, was treasurer of the United States Trotting Association, a long-time Grandview city councilman and later Grandview mayor for 12 years. The Bordners lived a "9 iron" from Ernie Biggs' house on Palmer Road. Both families socialized with each other and even took family vacations together.

Mike got his first taste of being involved with a sports program by becoming the head manager of Grandview's basketball team his last three years of high school. He was hand-picked by Richard Hopkins, the varsity basketball coach. He learned many lessons on organization and attention to details from Coach Hopkins, which would come to serve him well in the later years in his chosen career - athletic training.

After graduating from Grandview, Mike enrolled at The Ohio

State University and obtained his Master's degree in 1969 in Health Education. He was a student trainer and then named a full-time assistant trainer in Fall 1967. It was during the mid to late 60's that Mike was exposed to working closely with Woody Hayes. Mike confirms that Woody's temper was for real and not exaggerated. Woody would constantly scream and shout during his practices and even games. He would slap players on the side of their helmet as he let out expletives that could be heard throughout the practice field. He would take his glasses

off and snap them right in half in a fit of rage or take off his ball caps and rip them apart. Phil Bennet worked for the Athletic Department at that time. His official title was equipment repair manager but two of his duties were to repair the glasses that Woody snapped in two and to take the stitches out of his ball-caps, so that when Woody would start ripping at them they would immediately come apart, sparing Woody from hurting his wrists and fingers. Phil would have shelves full of refurbished glasses and ball caps available.

Mike displaying a plaque designating him an "Honorary Varsity O" member, an honor bestowed on only 14 people in the annals of OSU athletics.

Mike in his "official" trainer's outfit in 1999 before a Final Four basketball game in Tampa, Fla.

Ernie Biggs was OSU's head athletic trainer at the time, until his death in 1970. Mike applied for the position after Ernie's death. Unfortunately, Woody Hayes didn't think Mike was quite ready for the position of head trainer - a challenging task for sure. Mike was only 26 years old at the time, with just two years' experience as an assistant head trainer. Mike was disappointed but, looking back, feels that it was the right decision. Another candidate was selected and Mike stayed on as the first assistant trainer. After a few years, the head position opened again and the school opted to hire two head trainers. Billy Hill was selected to be the head trainer for the OSU football team and Mike was called up to be co-head trainer with primary responsibility for the basketball program.

An interesting "behind the scenes" story accounts for the reason Mike spent the balance of his career in basketball. In 1971, legendary OSU basketball coach Fred Taylor insisted that Mike be named the head trainer for basketball. Needless to say,

CatMews

Following a Legend, cont.

Fred got his way and Mike was off and running for the rest of career as the head trainer for basketball - retiring in 2000. When Fred retired in 1976, Mike worked with four other OSU head basketball coaches: Eldon Miller, Gary Williams, Randy Ayers and Jim O'Brien. Without a doubt, Fred Taylor was his favorite.

When Mike retired in 2000, he had spent 36 years in the OSU athletic training department. He became the longest serving trainer in OSU history and became "the dean of Big Ten trainers." The most significant accomplishment that Mike achieved during his long tenure was creating an environment in his training room that was positive, happy and upbeat.

Mike's ever-present smile was contagious. He treated each and every athlete with the utmost of respect and concern for their health and well-being. Of all of the thousands of athletes Mike came in contact with, two stand out as his favorites. Both were captains of their respective sports teams in their senior years, and both were true leaders in every sense of the word. Both were well respected by their teammates and were high in character, morals and ethics. One was Rex Kern, who led the 1968 OSU football team to the National Championship. The other was Jim Cleamons, who led his basketball teams to a high level of success in the late 60's and early 70's.

At the OSU Athletic Hall of Fame banquet in 2000, Mike was bestowed with an Honorary Varsity

"O" award, becoming only the 14th person ever so honored in the history of OSU Athletics. He joined other non-athletes, including Dr. Robert Murphy, Dr. Jud Wilson, Earle Bruce, and Novice Fawcett. When Mike was notified by the university that he was going to receive this award, he said he bawled like a baby. When asked who the four most influential people in his life were, Mike said his father, Ernie Biggs, Fred Taylor, and Dick Hopkins.

So there you have it, BOBCAT alums and friends. A story about our very own "All-American" boy Mike Bordner and how he successfully followed a legend - only to become one in his own right.

Leave a Legacy

The Grandview Heights High School Alumni Board of Trustees reminds alumni of the Association's Legacy Society. The society guides alumni through the process of creating a bequest from your estate. The bequest can be in the form of adding to a scholarship, creating a new scholarship (minimum donation of \$20,000) or creating a project at your discretion. It's a wonderful way to leave a lasting impact on the future of Grandview schools. All funds are invested through The Columbus Foundation and information is held in the strictest confidence.

For more information, email Jane Harris '56 at HiYoJane@aol.com.

GHHS Alumni Golf Event

To Be Held in October

Please join us for a fun day of golf with your fellow Bobcats! The inaugural Bobcat Alumni Golf Outing will be held Saturday, Oct. 12, at Raymond Memorial Golf Course (Fear not, Buckeye Football fans - that's an OSU bye day).

Proceeds will benefit the GHHSAA and Brotherhood of Rooks Scholarship funds.

All Grandview alumni, former/current teachers and coaches are invited to participate in the Scramble format. All skill levels welcome. Get your old golf team back together!

We hope to have enough players for a shotgun start. Final details will be announced on the GHHSAA website.

Please indicate your interest and number of potential players, with an email to Roger Rill '67 at rrill@columbus.rr.com or GHSSA@hotmail.com

GHHSAA and the Brotherhood of Rooks hope this will become another Grandview tradition, benefiting our students.

Contributing to the GHHSAA

You are the GHHSAA. Without membership support, the GHHSAA would not and could not exist. We graciously thank you for your continued generosity. Here is a breakdown of GHHSAA funding categories. All Friends of the GHHSAA are mentioned in the newsletter published nearest the time after their contribution is received. Support the GHHSAA today! Thank you!

ANNUAL DUES: Every fall, we mail an Annual Membership Request of \$30. This goes to all alumni and it is our hope that each alum contributes this amount each year. This funding is the "bread and butter" of our budget and is extremely important. Please watch for your envelope this fall.

LIFE MEMBERSHIP: A Lifetime membership is \$300. Lifetime members still receive the annual dues request in case they want to donate additional funds. We publish the names of all LIFE Members once every 24 months. A list of LIFE Members is available online at www.grandviewheightsalumni.com.

PAWS CLUB: Contribution of \$50 - \$99

BIG CATS CLUB: Contribution of \$100 - \$499

TOP CATS CLUB: Contribution of \$500 - \$999

SPECIAL RECOGNITION: Contribution of \$1,000+

IN HONOR OF: Contribution of any amount in honor of a classmate, teacher, friend. Both the donor and the honoree are mentioned in the newsletter.

IN MEMORY OF: Contribution of any amount in memory of deceased classmate, teacher, friend. Both the donor and the deceased are mentioned in the newsletter.

LEGACY SOCIETY: Membership in the GHHS Legacy Society requires a base contribution of \$20,000 or more. The funding establishes an annual scholarship, of at least 5% of the deposited amount, in the contributor's name or in honor of someone of their choosing. All Legacy Society contributors will be listed in every newsletter issue and are listed on the web site.

We take our fiduciary responsibility seriously. You can see the good work your funding accomplishes including this newsletter, alumni events, the website, support of current student activities, improvements and supplies not available in the

regular budget (Robotics, Art, Band, special requests, etc.), and scholarships, scholarships and more scholarships. Your support ensures we stay connected, and together we help continue the legacy that makes us all proud to be a Bobcat.

Make all checks payable to GHHSAA and mail to PO Box 12116 Columbus, OH 43212. Funds are managed by The Columbus Foundation.

Editor's note: We send dues request letters to all alumni, just as we also send the newsletter. We hope you'll give when you can. Donations and annual dues newsletter subscriptions are much appreciated. We couldn't do all we do without you. Thank you for your continued and generous support.
