President's Letter

Dear Fellow Bobcats,

Thanks to each of you for your continuing support by sending in your annual dues and especially to the many LIFE members who continue to send additional money every year. Also, thank you to the many contributors to the Paws, Big Cats, Top Cat Clubs, Special Recognition, In Honor and In Memory.

As many may know, Ken Chaffin, GHHS principal, accepted a similar position at his Alma Mater in Marysville, where his family lives, his wife teaches and his children attend school. I wish him only the best but, damn, he is going to be hard to replace. There have probably been GHHS principals as good as Ken, but I doubt if there were any that attended as many Bobcat-related events (sports academics, entertainment, etc.) as he did or a principal who knew the names and "fist bumped" everybody in the high school every day. Superintendent Andy Culp and the School Board really have a tough job to do to fill Ken's shoes (size 13 or 14). We wish them much success in this challenge.

Ken, thank you for the past six years. Somebody once said if you put your hand in a bucket of water and pull it out, the hole you leave is how important you were. I believe if you measure the water level with Ken's hand in it, it would be close to overflowing.

On a brighter side, there have been many recent highlights for our beloved Grandview schools. These include Shrek the Musical; Hudson Jump, our 195-pound state champion wrestler; Luke Lachey, our sophomore basketball Metro Conference Player of the Year, and so much more from this great school.

We celebrate the Class of '48 70th Reunion with a list of graduates from Grandview's 32nd class to set our standards so high. We salute the GHHS veterans for their service to our country and community. A list of these heroes are in this issue. Please let me know if we missed anybody.

Upcoming events to mark on your calendars –

- Alumni Luncheon at Kingsdale MCL Cafeteria (every fourth Friday)
- Memorial ceremony on May 24
- Memorial Day Parade on May 26
- Rook banquet and "Bucko" Open on Friday, Aug. 17
- Alumni Weekend on Sept. 13 to 15. We hope many classes will plan their reunions around this weekend.

You can contact GHHSAA at ghhsaa@hotmail.com or on our website www.grandviewheightsalumni.com or on Facebook (search for Grandview Heights High School Alumni Association).

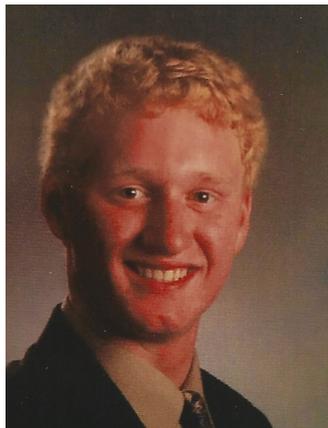

Thank you to all alumni for sending anecdotes and stories about their lives. Thanks also to our editorial staff for putting all this information into this newsletter in beautiful form and getting me the praise. Without Teri Antolino Williams '74, Molly Hammer Tanner '82 and Ash Reynolds Babbitt '87, the dedicated team with true Bobcat Spirit, we wouldn't have this outstanding update! Thank you also to John Gloyd '71 for doing such a great job as our webmaster.

Go Bobcats,

Tom Smith '63

Sports Hall of Fame 2017 Inductees

Jacob D. Smith 2006

Jacob Smith '06 earned 12 high school varsity letters in football, basketball, and baseball. Jake served as team captain in all three sports his junior and senior years. He was voted MVP of the football and baseball teams his junior year, and earned Defensive Player of the Year for the basketball team his sophomore, junior, and senior year. He also earned First-Team All-League honors in football and baseball his junior year.

After graduation, Jake went on to study at the United States Military Academy in West Point, where he earned a degree in Engineering Management and a commission as an officer in the United States Army.

Jake graduated from West Point in 2010 and served in the Army as an infantryman until 2015 as part of the 82nd Airborne Division, including a deployment to Afghanistan in support of Operation Enduring Freedom.

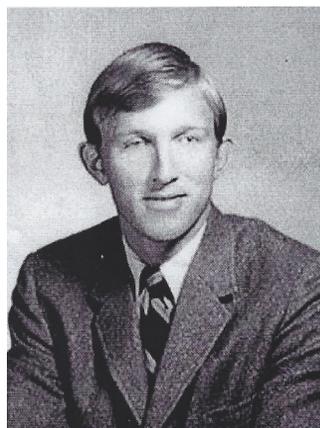

Katie Alnamese 2004

Katie Albanese '04 was a four-year letter winner in track and field, and a two-year letter winner in cross-country and gymnastics. She was a member of numerous 4x100 and 4x200 meter relays, as well as a long jumper and 100- and 200-meter sprinter.

She made her mark as a Bobcat as a pole vaulter. Katie was a three-time state qualifier with two podium finishes (4th and 6th place), a regional champion, a two-time regional runner-up, a three-time district champion, and a two-time conference champion. She was named to the Academic All-Ohio team from 2002-2004 and was awarded two sportsmanship and MVP awards in track and field. Katie set school, conference, district, regional, and state records. She continued her pole-vaulting career as a Division 1 athlete at the University of North Carolina Wilmington where she made the top-10 all-time performances list for pole vault and won the 2006 "Battle of the Beaches" with a personal best vault.

Katie returned to Grandview to coach pole vaulting from 2012-2015 while she completed her PhD in Ecotoxicology and Chemistry at The Ohio State University.

Marv Gregory

Marv Gregory served as a math teacher and coach during his tenure at Grandview High School from 1967 to 1997. A 1962 graduate of Wilmington High School, he earned nine varsity letters, was all-league and all-state in basketball and was 13-1 as a starting baseball pitcher during his senior year, where he also pitched a no-hitter that same season.

Marv turned down several scholarship offers after high school and walked on to The Ohio State University's Men's Basketball team, coached by Fred Taylor. He earned a scholarship after his freshman year, became a starter his senior year, and earned three varsity letters during his career at Ohio State.

After earning his degree in Mathematics, Marv began his teaching career at Grandview High School. In 1972, he became head coach of the boys' basketball Team, serving in this position for nine seasons and finished with a 102-75 career record. Several of his players earned all-league and district honors, and one of his former players still holds the Grandview record for most points in a single game (47).

Marv coached the baseball team from 1971 to 1974 and won

several championships for the Bobcats. His teams won three sectional championships, two district championships and one runner-up, two regional runner-ups and one league championship. In 1974, he had six players go on to play college baseball.

After leaving coaching to get more involved with his church and bible studies, he started a Fellowship of Christian Athletes (FCA) at Grandview. His involvement with Grandview continued after retirement as he filled in as a math teacher when needed, took students to basketball camps, coached the 8th grade girls' basketball team, and assisted teachers on student trips to Chicago, New York, and Europe.

The Grandview Heights High School Sports Hall of Fame was established in 1989 to honor Grandview's outstanding individuals and teams who have made contributions on and off the playing fields and courts. The program has long been a school and community favorite.

It is our honor to introduce the 2018 Hall of Fame honorees. Congratulations and Go Bobcats!

Starting in January, the GHHS Alumni moved their Monthly Luncheon to the Kingsdale MCL Cafeteria in a private room. It is held the 4th Friday from January through October. Please join us and enjoy seeing friends and hearing great stories with good food.

Last month I had the pleasure of sitting with some young people –

- **Shirley Arthur Hatch '45** – Shirley runs the Luncheon and would enjoy having you join us.

- **Connie Zeller Hollingsworth '40** – this lady has been a part of the last two Alumni night celebrations and has a great picture with the Bobcats.

- **Lou Ardit '38** is the most dapper dressed man at the Luncheon, driving up from Grove City if he gets his grass cut in time to make the Luncheon. He told us last month that he went to a little red schoolhouse before Robert Louis Stevenson was built.

Congratulations Distinguished Alumni

A Hero Among Us

Bill Ailes '65 enrolled in Ohio State after graduating high school. But, college wasn't for him. All he could think about was flying helicopters. Dropping out had heavy consequences in 1966 because the Selective Service Board (the Draft) was looking for young men. Knowing that it was inevitable, Bill enlisted in the Army, hoping for the chance to fly.

After completing Advanced Infantry Training, Bill was selected for Officer Candidate School, was commissioned as an officer and accepted into helicopter flight school. By the Spring of 1968, he received his orders and was off to Vietnam.

After training, Bill advanced to 1st Lieutenant in the 101st Airborne Division, the renowned "Screaming Eagles." Flying the CH-47 Chinook, a thin-skinned unarmed transport helicopter, mission assignments were often perilous, and this was never truer than it was on February 28, 1969.

On Feb. 28, 1969, 1Lt William B. Ailes distinguished himself as few others have and was awarded the Silver Star Medal.

The citation for Bill's Silver Star reads:

The President of the United States of America takes pleasure in presenting the Silver Star to Captain (Transportation Corps) [then First Lieutenant] William B. Ailes, United States Army, for gallantry in action in the Republic of Vietnam on 28 February 1969. Captain Ailes distinguished himself while serving as the Aircraft Commander of a CH-47C Chinook

helicopter in Company A, 159th Assault Helicopter Battalion, 101st Airborne Division, located at Vandegrift Combat Base, Republic of Vietnam.

The weather had restricted flight in the area the previous day, and Captain Ailes decided to make a weather check. Upon arrival at Fire Support Base

Captain William Ailes with all his medals.

CUNNINGHAM, a message was relayed that three locations had emergency medical evacuation which needed to be taken to Quang Tri. Two medical evacuations were loaded at Fire Support Base ERSKINE, where Captain Ailes aircraft was joined by a UH-1E

gunship escort to the two remaining pickup zones. The next pick up zone was located on the side of a knoll, requiring the aircraft to be hovered straight into the area, after considerable maneuvering to remain clear of small arms fire. After landing, there remained approximately six inches clearance under the forward blades, and five feet of clearance to the front and sides from trees in the area. The aircraft remained on the ground under fire for five minutes while seventeen casualties were placed on board. Departure was made on instruments due to low lying clouds that had moved in. The gunship support element flew into the nearby valley to locate the second pick up zone which was to be on the road passing through the valley. After the gunship located the area, Captain Ailes descended through the clouds, breaking out approximately 500 feet above ground level, and proceeded along the road. The aircraft came under heavy fifty caliber machine gun and small arms fire. He immediately

climbed into the clouds and came down through another opening 100 meters away. A rapid descent was made through the clouds into the pick-up zone while the gunship circled the area to suppress any enemy fire, and he landed on the road and picked up fourteen more wounded personnel. Another instrument ascent was necessary, and he then flew to Camp Evans. Captain Ailes' outstanding flying ability and devotion to duty were in

with a sling cargo net only five to ten feet from the tops of the trees. After lowering the cargo to the ground, he landed and quickly loaded the casualties, air taxied down the side of the mountain and proceeded to a medical facility. This was repeated on four more occasions that day. In honor of his achievements, Bill received two Distinguished Flying Crosses, awarded for heroism and extraordinary achievement while participating in aerial flight.

The helicopter with which Bill accomplished all those tasks. It is HUGE!

keeping with the highest traditions of the military service and reflect great credit upon himself, his unit and the United States Army.

Thirty-three wounded troops were successfully extracted and taken to safety during that mission but the events that day were merely a harbinger of what was in store for Bill in March.

On an overcast March 12, 1969, Bill flew in support of the emergency evacuation of casualties and resupply of the Marines. Guided by a radio operator at the fire base who judged the position of the helicopter only by the sound of its rotors, Bill skillfully maneuvered his airship up the side of the mountain

The following week, while attempting to extract wounded troops, his helicopter was hit. Bill managed to return to base with one engine. For his example of "extraordinary achievement while participating in aerial flight," Bill was awarded another Distinguished Flying Cross.

The next day, he was sent to help extract a Marine unit. On approach, his aircraft came under fire that struck one rotor blade. He landed to load the Marines, departed and then returned for remaining troops when he came under another mortar attack. Again, he remained on the ground long enough for the troops to load

their equipment and board. After returning to the base camp, the helicopter had to be grounded for maintenance. Bill was awarded a fourth Distinguished Flying Cross.

Two dys later, on March 20th, Bill received a distress call. A Navy A-4 Skyraider had been shot down and the pilot had ejected. Bill left for the site of the downed pilot, having his crew rig the jungle penetrator

The red helicopter is what he flies these days.

in case his aircraft was needed for the rescue. Bill initiated the extraction before gunships could reach the area to provide support. Due to the height of the trees, he was forced to hover the aircraft with the rotor blades brushing the tree tops. When the jungle penetrator was raised, it jammed and could not be raised or lowered. Bill lifted the pilot clear of the trees, flew to a nearby fire base, lowered the pilot and placed him aboard the aircraft to be taken to safety. Bill's outstanding flying ability and devotion to duty earned him a fifth Distinguished Flying Cross – all five earned in March 1969.

Bill left active duty in 1971, spending several years in the Army Reserve. He still loves to fly whenever possible. Bill lives in Ravenna, Ohio and works in the plastic fabrication industry.

Thank you for your distinguished service to our country, Captain Ailes.

With more than 12,000 employees, Nationwide Children's Hospital is One Team, with a shared goal of providing the highest quality care to all children. There's no doubt that as they serve families, they function as a family, too. As you walk around the hospital, you'll find mothers, fathers, sisters, brothers, children and more family members working together as One Team. One of many stories is that of sisters Jennie Kosnik '90, Ellen Kosnik Cordle '95, and Niki Kosnik Shafer '88, who have worked at the hospital for more than 55 years combined.

As a little girl, Niki Kosnik Shafer, senior vice president, Outreach, would make rounds with her father, Dr. Edward Kosnik, regularly at Nationwide Children's. "I would come Saturday or Sunday mornings and sit at the nurses' station while he would check on his patients and families," recalls Niki. Niki became a Nationwide Children's Hospital employee in

1998 when she joined the Foundation staff. Two of her sisters followed suit in clinical roles. Jennie is a certified registered nurse anesthetist and Ellen is an RN clinical leader in the Emergency Department. Jennie also recalls coming to work with her father... and eventually working alongside him. "I loved watching the nurses' interactions with patients and each other," she says. "As an anesthesia provider, I was in my dad's operating room about once a week. I loved watching the intricate work he did."

The sisters appreciate the fact they get to see one another at work. "Niki and I are able to meet for lunch occasionally," says Ellen. "She and I have worked together to coordinate events with the Emergency Department such as tours for donors or donations. Jennie and I often run into each other in the hallways."

Most importantly, Niki, Jennie and Ellen are thrilled to work at the same place where their

father worked and made so many contributions over the years. The fourth Kosnik sister, Libby Infinger '97, is a pediatric neurosurgeon in Charleston South Carolina.

Bennett E Nau '38

(submitted by her niece Christy Nau Dunn '69)

I think Bennet E. Nau was overlooked as a Bobcat veteran. This information is about his service in WWII. Bennett was an infantry man and fought with the 7th Army in North Africa during World War II, having landed with them at Casablanca. At least part of the time, he was a member of the machine gun squad. He fought in Tunisia then on the island of Sicily at the battles of Palermo and Messina before crossing into Italy. He did not fight at Anzio but was involved in the fight at Monte Cassino and was present at the fall of Rome. He told about drinking in the bar in the Excelsior Hotel in Rom where he and some friends talked with an Italian who bought them drinks and invited them to his Villa for dinner. Later, wishing to return his favor, they took some "liberated" wine out to the villa to give their host. As they were leaving, they were met by some German officers doing the same thing. Turns out

their host was a member of the Italian nobility. He spoke about Mathew Ridgeway and George Patton being the commanding generals. Later, he fought through Southern France having entered that country via the beaches at St. Tropez. He was in Paris after the allies captured it finally ending up in Austria at War's end.

Betty died on Dec. 12, 2017, at the age of 95. She grew up on Ashland Avenue with her sisters June '44 and Deborah '37. June married Dave France of the Urlin Hill family. Deborah had seven children. Her mother was a seamstress for MalIndia's Rugs on Fifth Ave. Her dad owned a polishing shop around Third and Michigan. Mom had five children who graduated from GHHS. Lucinda Burton, Harry II (Jackie) Hanna, Billie Beth (Bob) Greer, Sylvia '72 (Art) Prato and Jack (Barb) Hanna '74.

Could we get a little help please? Mrs. Martha Morgan listening to unknown students somewhere about 1960. Who are these gals and what do you suppose they are doing? Let us know what you think. Write to us on the back of a copy of your will leaving something to the GHHSAA or the Columbus Zoo!

Pictured at last year's event are Gunner Riley '59, Bruce Buchanan '62, Steve Gatsch '68 and Jim Herd '59

The Brotherhood of Rooks Banquet and the "Bucko" Open will be Friday, August 17. The B of R fraternity has been a part of Grandview since 1914. We are celebrating 104 years of Brotherhood with Brothers, Alumni and Friends. Please contact Tom Smith at 614-499-7449 or bbrow34@columbus.rr.com if you would like to attend and/or play in the Bucko!

Bill and I reconnected and married 12 years ago and live in a manor home (ranch condo) at First Community Village, almost across the street from Marble Cliff. We have 10 grandchildren between us. Two are Grandview students, so we keep in close touch with that wonderful community we love so much.

Jackie Day Cherry '49

This was a sad year where I lost both my husband and sister. However I keep busy as historian of First Community Church, board member of Grandview/Marble Cliff Historical Society, historian for Vaud-Villities, and enjoy Japanese flower arranging. I love spending time with my five grandchildren and three great grandchildren, as well as corresponding with old friends. I also enjoy GHHS Alumni Luncheons.

Bill "Hap" Chandler '50

I enjoyed a short trip to Columbus in October (first in

many years) and had a chance to wander through the old High School, First Community Church, and a drive through Grandview – Rook House, Avenue and all. What great memories. I'm still living in Portland, Ore. and am a veteran of the United States Air Force.

Tom Bogen '51

I am still supporting the Hall of Fame plus Media Center.

Maureen Burns Laugherty '54

My dear best friends from our Class of '54 - I miss you and think happy thoughts of you often.

Ron Spohn '55

I live full-time in Naples, Fla. I'm still married to the same beautiful woman for 61 years now. We have nine grandchildren and 10 great grandchildren. Life is good but not always fair. I recently lost my younger brother Jack Spohn to cancer. His obituary can be read at Jack Spohn Indianapolis.

Lou Friscoe '59

I still run the Central Chess Club in Columbus and direct chess tournaments (more than 1,100 so far). I'm also still practicing law part-time and enjoy my two grandchildren and one great grandson.

Bob Tangel '59 and Sharon Brown Tangel '60

Bob and I have so many happy memories of our years at Grandview High School. We are enjoying our lives in Oregon and our family continues to grow with the addition of a great grandson.

David Fink '61

Looking forward to our 75th Birthday reunion in October.

Steve Bretz '61

Looking forward to the Class of 61's 75th birthday party – coordinated by Penny again. See you all on Oct. 6th. Go Bobcats!

Sharyn Lewis Adelman '65

My sister (Patricia "Kay" Lewis, also called Pat Lewis always after high school) passed away very unexpectedly in June 2017. Pat became a very important leader in the development of Victorian Village/Short North Development, spending about 45 years of her life in restoring and making it one of the most desirable areas in the U.S. She received many awards for her work and was awarded the Lifetime Achievement Award. Their yearly volunteer award was named the "Pat Lewis Volunteer of the Year" award. Moving to Grandview in her sophomore year was devastating for her. Leaving all her friends was something she never really adjusted to, but she still felt a great loyalty to Grandview especially looking back on it as an adult. She always seemed to

know what Grandview alumni were doing.

Wayne Baker '65

Carolyn Andrews Baker '65 and I will be celebrating our 52nd wedding anniversary on Oct. 2. We've been best friends for 56 years.

Donna Sheets Romorini '65

Our One of a Kind Art Studio enters its 33rd year. Visit us at www.oneofakindinc.com. It's great to keep in touch with our wonderful class of '65! Let us know if you're visiting D.C.

Paul Weber '66

I'm retired & "living the dream."

David Burkhart '72

I'm still working for Indiana University (sorry OSU fans) in their Student Health Center. My son Joseph graduated from St. Olaf College with a dual major in Chemistry and Classical Studies (Greek & Latin). Mrs. Lambert would have loved him! My daughter Rebekah continues as a Junior at College of Wooster in Communications Science & Speech Disorders and Early Childhood Education. I hope to retire in two to three years. It was good to see classmates at 45th Reunion in September.

Krista Knapp Donnelly '87

I'm still working for the National Archives and my husband Bill is still an historian for the U.S.

Army. Our daughter Moira is 14 and in 8th grade. Or son Liam is 9 and in 4th grade. In some ways, school has changed a lot since I was at Grandview (home-work in Kindergarten!) and in other ways, it's just the same. Sorry I missed reunion last year – just bad timing for me. I'll try hard to make the 35th!

Peter Sichko '05

I began working for Broadcast Sports International, providing wireless cameras, microphones, and communications primarily for sporting events ranging from Super Bowl, to college football, to PGA sports, the Olympics, and auto racing. Enjoying the challenge in finding wireless solutions.

Eli was awarded a Fall 2017 Theory-to-Practice Grant from Ohio Wesleyan University. The grants support research, internship, service, and cultural-immersion opportunities throughout the world. The Theory-to-Practice Grant awarded to Reed supports a project titled "Racism and Sectarianism: A Comparison Between America and Northern Ireland." The project will be conducted in Northern Ireland for 12 days in May.

Alex Hastie '99

Reprinted with permission from Columbus Alive

Not only is Ohio a swing state in presidential elections, but it has also proven to be an indicator of which candidate will be elected. According to Kyle Kondik, a author of the 2016 book "The Bellwether: Why Ohio Picks the President," the state only selected the losing candidate twice since 1896.

It is Ohio's role in both national and international history that is highlighted in Alex Hastie's Columbus-based podcast, "Ohio v. the World," which featured Kondik as a guest on episode two, "Ohio v. the Electoral College." In the rest of season one, which premiered in March 2017, listeners learned more

about the broader impact of Ohio events like the 1970 Kent State shootings and Ohio-based people like Victoria C. Woodhull, widely considered to be the first woman candidate for president of the United States.

"Where do you get your history these days?" asked Hastie. "The History Channel is a joke. [It's] mostly shows about 'Ice Road Truckers' and aliens. ... I think my goal is to bring history to a younger generation of people, and bring it to them in a format that's a little more fun."

Hastie, a lawyer and musician in hip-hop cover band the Winnie Cooper Project, recommends both a book and an Ohio beer during each episode. In addition to authors like Kondik, guests include historians, professors, journalists and personnel from the Ohio History Connection. "It's been a great collaboration," said Todd Kleismit, the Ohio History Connection's director of community & government relations. "I think a little too often history is perceived to be dry and uninteresting, or just about rote dates on a timeline. One of the things I really love about [Hastie's] program is that it does bring history alive, and it's not the Wikipedia version where it's just a narrative. It's highly

nuanced."

One of those nuanced episodes is "Ohio v. the Nazis," centered on Ohio State athlete Jesse Owens, well-known for his gold-medal wins at the 1936 Summer Olympics in Berlin.

"But what you don't know about Jesse Owens is all the stuff he goes through before the Olympics and when he comes back. The president won't even meet with him," said Hastie, who also got into discussions about The Great Migration, which brought the Owens family and millions of other African-Americans to northern states beginning in the early 1900s.

"There's so much stuff going on around Jesse Owens that really makes the show a lot more informative and a lot more fun," Hastie continued. "By the end of it, you really don't care how fast he ran the 100 meters."

Another episode was about the rivalry between Ohio State and the University of Michigan. The show explored the states' 1835-36 battle over modern-day Toledo as the root of the longstanding conflict.

The 15-episode season will wrap up in the spring, when "Ohio v. the World" will also facilitate its first Ohio-history podcast and

video-essay contest for high school seniors. The winners will be awarded scholarships via Hastie's nonprofit, Ohio History Podcast Educational Assistance Corp. Encouraging both young people and adults to learn about history is important for understanding current events, Hastie said.

(The podcast is available on ohiotheworldpodcast.com, iTunes and other platforms.)

Reunions

Class of 1958

The Class of 1958 will hold their 60th reunion on Oct. 5, 6 and 7, 2018. The committee is working to contact all class members but have had problems with a few old phone numbers and emails. Class members please call or email Sally Diehl Kriska (614-488-6763 or skriska@columbus.rr.com) if you have not been contacted about the event. We look forward to seeing all of you in October!

Class of 1963

Class of '63 will hold their 55th reunion on Sept. 13-15, 2018. Please contact Bonnie and Tom Smith at bbrow34@columbus.rr.com or 614-499-7449 for details

Class of 1988

Class of '88 is preparing for their 30th reunion! The group will gather at the Alumni football game on Sept. 14, 2018, and hang out at Byrne's after. There will be a dinner on Sept. 15 (location TBD). Please help contact hard-to-reach classmates. Contributing to the GHHSAA

You are the GHHSAA. Without membership support, the GHHSAA would not and could not exist. We graciously thank you for your continued generosity. Here is a breakdown of GHHSAA funding categories. All Friends of the GHHSAA are mentioned in the newsletter published nearest the time after their contribution is received. Support the GHHSAA today! Thank you!

ANNUAL DUES: Every fall, we mail an Annual Membership Request of \$30. This goes to all alumni and it is our hope that each alum contributes this amount each year. This funding is the "bread and butter" of our budget and is extremely important. Please watch for your envelope this fall.

LIFE MEMBERSHIP: A Lifetime membership is \$300. Lifetime members still receive the annual dues request in case they want to donate additional funds. We publish the names of all LIFE Members once every 24 months. A list of LIFE Members is available online at www.grand-viewheightsalumni.com.

PAWS CLUB: Contribution of \$50 - \$99

BIG CATS CLUB: Contribution of \$100 - \$499

TOP CATS CLUB: Contribution of \$500 - \$999

SPECIAL RECOGNITION: Contribution of \$1,000+

IN HONOR OF: Contribution of any amount in honor of a classmate, teacher, friend. Both the donor and the honoree are mentioned in the newsletter.

IN MEMORY OF: Contribution of any amount in memory of deceased classmate, teacher, friend. Both the donor and the deceased are mentioned in the newsletter.

LEGACY SOCIETY: Membership in the GHHS Legacy Society requires a base contribution of \$20,000 or more. The funding establishes an annual scholarship, of at least 5% of the deposited amount, in the contributor's name or in honor of someone of their choosing. All Legacy Society contributors will be listed in every newsletter issue and are listed on the web site.

We take our fiduciary responsibility seriously. You can see the good work your funding accomplishes including this newsletter, alumni events, the website, support of current student activities, improvements and supplies not available in the

regular budget (Robotics, Art, Band, special requests, etc.), and scholarships, scholarships and more scholarships. Your support ensures we stay connected, and together we help continue the legacy that makes us all proud to be a Bobcat.

Make all checks payable to GHHSAA and mail to PO Box 12116 Columbus, OH 43212. Funds are managed by The Columbus Foundation.

Editor's note: We send dues request letters to all alumni, just as we also send the newsletter. We hope you'll give when you can. Donations and annual dues newsletter subscriptions are much appreciated. We couldn't do all we do without you. Thank you for your continued and generous support.

Special Recognition

Memoriam

Wayne Baker '65 sends this tribute of his mother Catherine Jeanette Baker, who was a second-grade teacher at Robert Louis Stevenson Elementary School from 1937 to 1959. "She was a wonderful mother and teacher and always spent extra time with students who were in jeopardy of failing the second grade. None of her students were ever held back from going on to the 3rd grade. She was the loving mother of Wayne Baker '65 and Bill Baker '61. Mrs. Baker passed from cancer in 1959."

Legacy Society

by Jane Harris

Some years ago, the GHHSAA established the Legacy Society. It was created for those alumni who are interested in honoring their experience as students at Grandview High School and in the community that they remember. If you wish to include Grandview in planning your bequests, here are some simple ways to include Grandview in your wills or estate plans. You can become a member of the Legacy Society with a gift or bequest of \$20,000.

- **Planned Gift:** these are planned gifts made by donors with provisions in their estate plans such as:
- **Codicil:** The easiest and most common form of a planned gift. This is a change in your will or a beneficiary designation in your IRA.
- **Life Estate:** Donate real estate and retain the right to live there the remainder of your life.
- **Charitable Gift Annuity:** Contract between you and the Library/ Archives wherein you receive income for life based on your age and current annuity rates.
- **Appreciated Property:** Donations of stocks and other assets earn a charitable deduction in return.

Questions about the Legacy Society? Contact Jane Harris or Tom Smith with the Alumni Association.

Below are those who are members of the Legacy Society:

New GHHSAA Board Members and our elder statesman

We would like to welcome aboard our two newest Board members and our unique member –

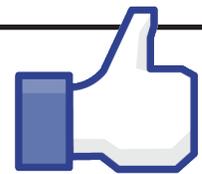

• **Joe Arganbright '61** joined the Board last September. Joe is one of the greatest guys ever from Grandview. He enjoys being the "butt" of jokes and sets himself up most of the time. He is married to his childhood sweetheart Judy Such Arganbright '61 and lives in Westerville. This sports Hall of Famer has already been involved in the Wall of Fame, Distinguished Alumni committee member and writer of many sports stories in the newsletter.

• **Andy Baumann '63** joined the Board last month. Andy brings many years of finance background and will assume the position as Treasurer, while Gunner Riley '59 takes a little break. Andy also was lucky enough to marry a Grandview girl, Arden Moscoe Baumann '66, and they live in Columbus. He is a good friend that I have known for approximately 70 of my 73 years and he has one of the great sport memorabilia collections.

• **Wally Cash '43** and **'46** (yes he dropped out of school in '43 to join the Navy during WWII and came back to graduate in '46) joined the board a few years ago and has been a contributing member and heavily involved as a member of the Scholarship committee. Wally celebrated his 90th birthday by skydiving and his last birthday, Wally and his wife Barbara went to the Amazon River. Wally is retired from the Navy and is a ball of energy that is hard to keep up with, unique in many ways.

FACEBOOK

You'll find lots more alumni news when you join us on Facebook at the official Grandview Heights Alumni Association page, <https://www.facebook.com/GHHSAA>.

Corrections

Our apologies to Marian Andrews Edwards who was listed in the last issue as a member of the Class of '48. She graduated in 1947.

Also in the last issue, the Class of 1967 was mislabeled as the Class of 1968. Why did they complain?

We Salute You

As we approach Memorial Day, it is our humble honor to recognize the GHHS men and women from our community who have served our country giving us the ability to live a life of freedom in the best community of the best country in all the world. This is the first time the alumni association has published the names of all Bobcat veterans. In trying to compile this list, we realize that there might be some we overlooked. Is someone missing? Please submit name, graduation year, branch of service, years served, and any details to GHHSAA@hotmail.com, or to GHHSAA, PO Box 12116, Columbus, OH 43212.

It is with great admiration and patriotism, intensified by community pride, that we present to you the Grandview Heights High School alumni veterans.

*Thank you for your service.
You are our heroes.*

A letter from the Principal

GHHS Alumni Association:

If there is one thing I have learned in the last five years, it would be that Grandview Heights High School is truly a special place. The history, traditions, and the overall sense of pride in being a Bobcat are like nothing I have experienced in my life. For those reasons and many more, this letter is being written with a very heavy heart.

Recently, I was offered a position to be the principal of Marysville Early College High School. Pending board approval, I will be serving in that role beginning with the 2018-19 school year. This opportunity represents a brand new life for my family and me. The school is located about four miles from our house in Marysville, and it places our family all in the same district. My wife (Liz) is a third grade teacher in Marysville, and our kids (Camille and Drew) both attend her school. Marysville is also our hometown and also where all of our family live.

To love and to be loved is special. When you feel it...you just know. That is exactly the experience I have felt here. The partnerships we have built with our alumni have been powerful. It took an entire year to plan the 100th commencement of GHHS but it was really important work for an incredibly special day. I have enjoyed Saturday morning breakfasts at Marshalls with GHHSAA members, Rook banquets, the Ox Roast, developing the now annual Alumni night four years ago with Tom Smith, GHHSAA meetings, weekend class reunion tours, and so many other memories that will always stick with me. You have made me feel like one of you, and it has meant so much to me.

I assure you that I will give everything I have to our students and school community as we finish out the school year and begin the principal transition this summer. I have also been working with Superintendent Andy Culp to identify high quality candidates to serve as the next Principal of GHHS. Great people want to serve great people; we will get someone great.

I have always used Larry Larson's quote with our graduates and I hope you will apply it to me as we move forward. "Once a Bobcat, Always a Bobcat."

Forever PTBB,

Ken Chaffin

Principal of Grandview Heights High School

GHMCHS supplies info about an effort for Veteran housing

This photograph, donated by the GHMCHS, shows orchestra leader, Don Crawford, playing the saxophone at the Grandview Heights High School's L.A.L. Sorority Spring Commencement Formal at Valley Dale in May 1947. He had the privilege of debuting the new hit song, "I Had a Wonderful Time in Columbus" by Curt Weinberg and Kermit Goell. It was a national hit due to their clever promotion efforts. They convinced Columbus realtors to provide 50 apartments for housing needy World War II veterans. Any nationally-prominent radio personality who promoted the song on their station was allowed to match one needy veteran with an apartment. An article in the May 31, 1947, issue of Billboard Magazine indicated that the record trade had never seen such an enormously successful song promotion. Bob Hope was one of the 50 celebrities promoting the song.
