President's Letter

Dear Fellow Bobcats:

Thank you for your continuing support by sending in your annual dues. Special thanks to our many LIFE members who send in additional money every year.

In my role as Alumnae president, I am honored to meet many extraordinary Grandview graduates. I was privileged to become friends with three of these individuals who recently passed away:

Constance Zeller Hollingsworth '40 was a beautiful lady who loved our monthly Alumni luncheons, Memorial Day parades, and Alumni Nights.

George Hecox '40 would visit from Wisconsin each year for the Memorial Ceremonies and walked in the parade every year up until his 95th birthday.

Tom Williams, MD '43, who, along with his wife, contributed most (if not all) the money for the Soldier Monument and the Pillars at the Memorial Park. Located at the triangle of Northwest Boulevard, Second Avenue and Oxley Road, this is a must see on your next visit back to Grandview.

Please take a moment to remember your friends and classmates that have passed in this year and give a call to the ones still living.

If you move and/or have a new email; please let us know at GHHSAA@hotmail.com. If you want to get your newsletter early, send your email to GHHSAA@hotmail.com and let us know if you want only the electronic copy or both email and print versions. .

Follow the progress of the new GHHS by visiting www.ghschools.org and clicking on the "Facilities Planning" link. Construction is on schedule and the school is set to open this Fall for the 2022-23 school year. Check the GHHS Alumni Facebook page and website for details about an Open House.

In this issue, we honor our GHHSAA veterans with thanks for their sacrifices and support of our freedom. If you are a veteran and are not on this list; please send an email to GHHSAA@hotmail.com to be added.

Thank you to all alumni for sending anecdotes and updates about their lives. Thanks also to our editorial staff - Teri Antolino Williams '74; Molly Hammer Tanner '82 and Ash Reynolds Babbitt '87 - for compiling our newsletter; John Gloyd '71 for serving as webmaster; and Jim Anderson '72 for keeping our master list updated.

Go Bobcats,

Connie Zeller '40

Constance passed away in February at the age of 99. She loved to dance and loved her days at Grandview High School where she was involved in Girl Reserves, Boosters, orchestra, glee club and the newspaper staff. This picture was taken on Alumni Night in 2018.

Lee Davis Goldenbagen '47

I'm enjoying life at Wesley Ridge Retirement Community in Reynoldsburg, Ohio, and keep very busy with a diversity of activities. I feel good for my advanced age and have many memories of my high school years. Go Bobcats!!

Jackie Day Cherry '49

I was so gratified to find that your committee had selected my nominee, Dick Reiser, as a Distinguished GHHS Alumnus. I was also impressed by the additional

information you uncovered. My recollection was that a scene from the movie *ARGO*, where they carry the outed agent to freedom wrapped in a carpet, actually did take place and that incident was revealed in an article published in *GQ Magazine* and later in a 1998 *Reader's Digest*. Recently I found a letter from Dick dated Dec. 1, 1998, that states "I have achieved some degree of notoriety. December's *Reader's Digest* mentions me in an article about spies." Thanks so much for sharing the story of his exploits with other GHHS alums.

Norman Brown '49

I greatly enjoy the newsletter and was deeply touched by your story on classmate Dick Reiser. With every passing year, I more fully appreciate Grandview as an ideal place to grow up. This perspective comes after living in Los Angeles and Chicago for a career in advertising, including frequent visits to New York and offices in 45 countries.

When I retired, my wife Lynn and I moved to Santa Fe, New Mexico, where we still happily reside. We raised a family here, my second, after two children, with my first

wife in California. I've had the time to explore most of the mountains, deserts, jungles, and ruins all over the world. The picture below was taken on my 65th birthday, standing on the summit of Mount Kilimanjaro in Africa.

Dorothy Fauber Kette '50

I live in the country near Powell, Ohio and love it here.

Martha Starkey McCormick '51

Thanks for a great publication. I appreciate your dedication and hard work.

I'm a resident of Winchester Gardens in Maplewood, NJ, where I enjoy visits with my daughters Kathy and Lori and Lori's dog Tucker, along with my grandchildren. I have fond memories of my Grandview Heights days.

Joan Stevens Rigal '52

I recently told my husband Dan that I should have stayed in Grandview, raised our kids there and kept going to FCC and Camp Akita! I always feel this way when the newsletter arrives in our mail. It is so good to see and hear about someone from long ago. We have been happy in our house in Waterville (not Westerville), Ohio, for the last 57 years. We have been married for 66 years. Both of us are still active and enjoy a quiet, wonderful life. I recently logged in for a virtual book group at OSU in the Arts and Science Dept.

Martha Hager Berlin '53

All is well here in Delaware, Ohio. My family lives nearby except for Karla and family who live in Lexington, Ky., but we talk daily. Thank God for Alexander Graham Bell - otherwise we would be sending smoke signals.

Virginia Alban Clark '55

Last fall, I had a lovely time with my classmates celebrating our 55th class reunion. Grandview gave me incredible opportunities. My parents moved to Grandview shortly after I was born and we lived at the bottom of the hill

on Copeland Road. As I grew older, trying to find playmates was a real chore. There were only boys near me so I became a tomboy, playing football, basketball, and baseball. As senior year rolled around, many classmates were planning to go to college but I didn't feel that was for me. My dad had started a business in town. Both my brother and sister were already working for him so I just figured I would work there too. One day, in my typing class, our teacher welcomed a federal government employee who was promoting an opportunity to work for the government by taking a test. I took a chance, took the test and passed it. My career in government began on July 15, 1955, and I retired on April 1, 1994. During all those years, I met some of the best and nicest people you would ever want to meet. I traveled to train other employees and see states I would never have seen if not for my job. I give credit to Grandview for that opportunity.

Editor's note: Virginia was awarded the Exemplary Civilian Career Service Award for her outstanding accomplishments during her 38 years of service with the Department of Defense.

Chuck Dickerson '55

During October 2021, I attended the 66th reunion of the GHS Class of 1955. It was very well attended and everyone had a great time catching up, remi-

niscing, and looking forward to our 70th! Since my retirement 18 years ago, I became very involved with active volunteering and Civil War history. I am indebted to General Bowers, our beloved American history teacher, for sowing the seeds that started this activity. For the past 10 years, I served as a master gardener in the restoration of the gardens at our historic Civil War era 'Soldiers Home' located in Dayton. I've lived in Kettering since leaving the Navy in 1964 and practiced general dentistry in South Dayton for 40 years. As a member of the Lincoln Society of Dayton, I am currently working on a book project for the Dayton area schools about Abraham Lincoln and his significance to Dayton. On Oct. 21, 2021, my brother J.D. (GHS '58) and I spent a most memorable day together on an Honor Flight-Columbus to visit the various military memorials in Washington D.C. We are both retired dentists and we both served in the U.S. Navy Dental corps. Also, we both married GHS classmates: Chuck and Carol (Williamson d.2018) Dickerson GHS'55 and J.D. and Ann (Tuttle) Dickerson GHS'58. The enclosed picture is J.D. (left) and Chuck (right) in front of the WWII Memorial.

Carolyn Welch '55

What a great 66th reunion we had in October. Many thanks to Nancy Turner Bachman and the reunion committee.

Ray Stevenson '55

(Super Ray) Ray passed away very quietly at home. He retained his sense of humor and kindness right to the end. Ray enjoyed life, family, and his vast circle of friends. He was at peace at the end. *Submitted by his wife Ellyn*

Class of 2000

Tessa Maderski O'Riley, Erica Abbott Daft, and Amy Williams have been best friends since their elementary school days in Grandview. After graduation, they've kept in touch with weekly Zoom meetings and recently enjoyed a girls trip to the Finger Lakes of New York.

Nicole (Nicki) Vaughn Lyons '63

Nicki passed away peacefully on Jan. 9, 2022, in Pickerington, Ohio. She was talented, kind, caring, and touched many people throughout her life. She graduated from The Ohio State University in 1967 with a degree in education and taught English at Hilltonia Middle School. She later worked at University Baptist Church and Jones, Day, Reavis & Pogue Law Offices, where she retired in 2008. Nicki attended University Baptist Church and participated in International Coffee Hour, where she taught English and American life skills to children and mothers. Her passion for music included church choir, accompanying the choir on piano and guitar, playing concert horn and a vocal quartet. She sang and played guitar as a long-time member of the "One More Time String Band." Nicki and her husband loved to travel and fly. They began with model airplanes and went on to get licenses and fly a small Cessna plane. She also enjoyed spending time with family, especially her grandchildren.

Lots to Celebrate

"We are great! We are fine!
We're the class of '69!"

Members of the 1969 class gathered for several events during the weekend of March 18-20, 2022, including celebrating the life of Leslie Lord-Humphrey, Denise (Byerly) Gagliardo's successful completion of chemotherapy and radiation treatments; and the 71st birthday of Linda

(Schmidt) Nolan. In addition to those living in central Ohio, five classmates traveled from Texas, North Carolina, and Florida to join the festivities.

The illustrious '69 flag was designed by Tim Flanagan, Linda (Schmidt) Nolan and Leslie Lord-Humphrey during the summer of 1968. The flag made its debut at the Army-Navy basketball game, a friendly competition between the senior (Army) and junior (Navy) girls while the boys led the cheers. (It should be noted that the Army team was victorious that night!). Tom Andrews had the flag remade for the 45th class reunion in 2014 and it has made numerous appearances at reunions and gatherings over its 54-year lifespan.

Like the flag, Class of '69 friendships have also endured, remaining faithful to each other and to our school in the "Friendly Little City". What a blessing it is to be a Grandview Bobcat!

ATTENtion Grandview Campers... AtTENtion Grandview Campers...

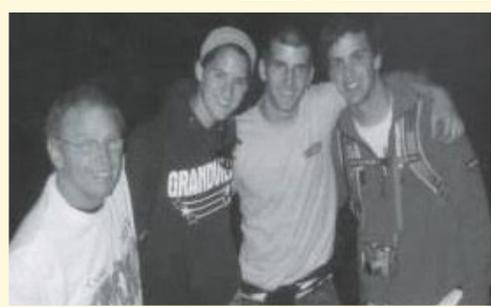

John Lorenz '74 started with Grandview's Outdoor Education Program in 1972 and continued through college and volunteered until 1992. He was an instructor of more than 25 fifth- and sixth-grade camps. On a precamp visit with the fifth-grade counselors, he met the Grandview teacher who would later become his wife. He's still happily married to Karen after 40+ years. This is his recollection of one summer that the Class of 85 might recall:

At that time, we were at Camp Ohio, located on the other side of Utica from where a tornado touched down. All students were moved to sheltered areas until the storm passed just before dinner. I remember the Highway Patrol checking up on us that evening because of concerned Grandview parents. We were back to normal by then and busy conducting our

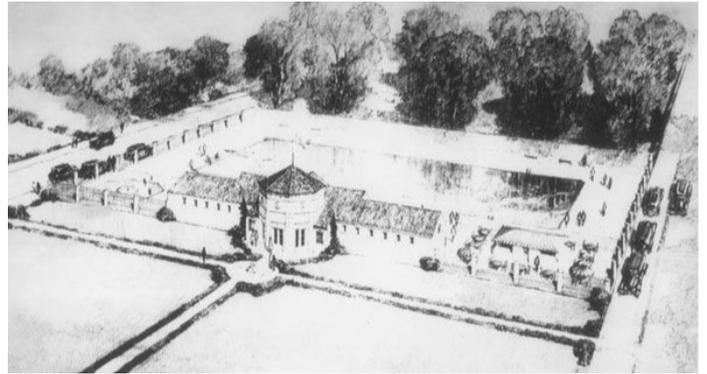

Friday Campfire Cabin Talent Contest. Sensing the impending nasty weather earlier in the day, Larry Larson and I moved the campfire into the shelter house.

Can you identify these campers from 1971?

God Protects Idiots

By Jon Browning '76

One winter afternoon during my junior year of high school, I watched Mexican cliff diving on ABC's Wide World of Sports. It was fascinating stuff. The next summer, Teri, Dave, and I were lifeguards at the Grandview Swim Club. On Labor Day, when the pool closed for the year, we stored away the tables and umbrellas, picked up trash, and pulled the plug. The water bled slowly away, taking summer with it. We'd started our tasks, but we refused to concede to the coming autumn. Water called our names. Taking a break, we climbed the ladder to the high dive and then onto the pipe railing around the board. We raised our hands in salute and pushed forward. But the deep end was no longer quite so deep as that morning. What had been 9 feet of water was now maybe 7 feet and dropping. What we were doing was idiotic.

By 3:00 p.m., the water was so shallow a cannonball guaranteed smashing into the bottom. That's when we started diving headfirst, smacking the water flat on our stomachs and slicing forward not down. The lightning-strike impact turned our stomachs cherry red. We pushed

on, perhaps taunting the pool gods. By late afternoon, the summer sun was fading and the water level below our suburban cliff was precariously shallow, maybe five feet or less. When I dove, the pool itself finally growled "Enough" and raised up to punish me. I hit bottom and slid forward across the cement. I pulled myself up the ladder to reveal my skinless pink belly that looked like a grape that'd been dragged along rough sandpaper and then dipped in red ink. Yep, that was enough. Teri and Dave took a few more turns but the summer had come to an end. (Editorial note - do not attempt this. Ever!)

A Grand-Bobcat Love Story

Chuck and Alice Whipple

This sweet story begins with two Brotherhood of Rooks fraternity brothers. Camden "Cam" Swart and Charles "Chuck" Whipple started their senior year in the fall of 1941. They each pursued one of two lovely gals who also happened to be friends. Lois "Lu" Herring Swart and Alice "Al" Bland Whipple met when they both attended Stevenson Elementary and stayed friends even after Alice moved to another high school in 10th grade.

After catching a glimpse of Alice, Chuck knew she was the gal for him! He set his sights and never wavered. Cam and Lois would follow suit and connect a few years later. These young men didn't realize, upon graduation, what the next several years would bring.

World War II came along and both men served in the US Army. Chuck continued his relationship with Alice as best he could during the war. Even

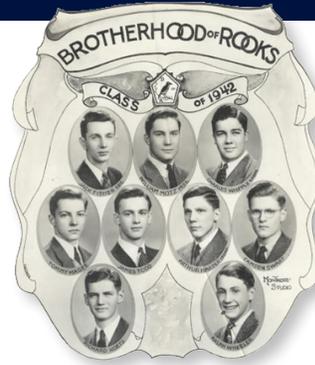

though Alice attended a different high school, she forever remained part of the "Grandview crowd" because of her ongoing relationship with Chuck. After the war, true love prevailed and his gal was still there for him.

Cam and Lois were "set-up" by Lois's brother, Lambert, when Cam returned after the war. They were married in 1948 and Chuck and Alice in 1949. Both couples' families started out in Grandview with the Swarts raising four children (Jeff, Gary, Jerry, and Debbie) and the Whipples raising two children (RaMarie and Scott).

Eventually, both families moved from Grandview for some years. But, as is often the case, they each returned. The Whipples moved back in 1958, and the Swarts returned in 1968. It so happened that the Swart twins Gary and Jerry and the Whipples' daughter RaMarie ended up in the same class at GHHS (1969) and became good friends

Cam and Lois Swart

- a connection that would eventually be expanded even further. (Class of '69 members might know of another story that could be inserted right here but that is for another day.)

The Vietnam War was in full swing. After high school, Gary joined the US Navy and was gone for six years. As fortune would have it, the Class of 1969 was a year late executing its five-year reunion. In 1975, Gary had just returned home from the Navy and wanted to reconnect with old friends. He volunteered for the planning committee and, by chance, RaMarie was also on that committee. While they hadn't dated in high school, the two of them found each other, fell in love, and were married in 1978. Everyone found the adjustments to family and in-laws were very easy and pleasant, since all four in-laws were very old friends! Gary and RaMarie's marriage was a fitting conclusion to a very unique Grandview generational tale.

**This story is shared in loving memory of Cam and Lois Swart and Chuck and Alice Whipple and in celebration of the 80th Anniversary of the Class of 1942.*

Honoring Service with Honor Flights

GHHS veterans from WWII, Korea and Vietnam eras are eligible and, most importantly, deserve an Honor Flight. Veterans, volunteers and people interested in donating in the local area may contact www.HonorFlightColumbus.org, e-mail info@honorflightcolumbus.org or call 614-284-4987. For veterans living outside Ohio, there are more than 140 Honor Flight organizations nationally. Find your nearest one at www.HonorFlight.org.

Veterans and their Schooling

Grandview is blessed with many men and women who have served their country through the military. Some pursued their post-high school education at a military service academy. Let us know if you should be added to our list:

Col. Jack Yeagely '56 graduated from West Point in 1962.

Jim Herd '59 graduated from West Point 1963

Jacob Smith '06 graduated from West Point in '10

Bill Koch '73 attended the Air Force Academy

An Honor Flight Experience

GHHS alumni Tom Raines '65 and Dallas Smith '66 were proud to participate in Honor Flight #109 on Oct. 21, 2021. Here is their story:

Our wives dropped us off at Port Columbus airport at 5:15 am. We were greeted by multiple volunteers and given red Honor Flight polo shirts. We broke into smaller groups and met our guardian/chaperone. We enjoyed a continental breakfast and got to know each other before embarking on our day.

Upon arriving at Reagan International Airport, fire trucks sprayed a water arch over our plane as we taxied toward the terminal. Exiting the plane, we were greeted by more Honor Flight volunteers and medical support items were provided to any veteran in need.

From the airport, we visited Arlington Cemetery and witnessed the somber changing of the guard and the wreath placing. Next, we visited the Air

Dallas Smith '66

Force Monument and enjoyed a box lunch.

After lunch, we saw the Navy Memorial and then visited the Mall. We began at the WWII monument where we saw that "Kilroy was here" and took a group picture with all 200 of us. After that, we were able to go sight-seeing wherever we wanted. Many of us were

Vietnam vets so we went to the Wall. It was bittersweet as we remembered all the buddies we served with while mourning the ones left behind. Each veteran received an Honor Flight pin. Dallas's daughter Katherine '08 works in DC, so she was invited to join him and give him his pin. Some groups went to the Lincoln Memorial, some to the Korean Memorial. After seeing the sights on the Mall, we visited The Women's War Memorial for dinner and departed to the airport for the flight home.

On the flight, we had our first mail call since being in the service. It was quite enjoyable! We arrived at Port Columbus at 9:30 p.m. and had such a warm welcome home! We were greeted by cheers from more than 2,000 people and a band.

We'd been gone 16 hours total but the healing this adventure provided is immeasurable. We felt the camaraderie with our fellow veterans that we hadn't experienced since our days in the service.

Contributing to the GHHSAA

You are the GHHSAA. Without membership support, the GHHSAA would not and could not exist. We graciously thank you for your continued generosity. Here is a breakdown of GHHSAA funding categories. All Friends of the GHHSAA are mentioned in the newsletter published nearest the time after their contribution is received. Support the GHHSAA today! Thank you!

ANNUAL DUES: Every fall, we mail an Annual Membership Request of \$30. This goes to all alumni and it is our hope that each alum contributes this amount each year. This funding is the “bread and butter” of our budget and is extremely important. Please watch for your envelope this fall.

LIFE MEMBERSHIP: A Lifetime membership is \$300. Lifetime members still receive the annual dues request in case they want to donate additional funds. We publish the names of all LIFE Members once every 24 months. A list of LIFE Members is available online at www.grand-viewheightsalumni.com.

PAWS CLUB: Contribution of \$50 - \$99

BIG CATS CLUB: Contribution of \$100 - \$499

TOP CATS CLUB: Contribution of \$500 - \$999

SPECIAL RECOGNITION: Contribution of \$1,000+

IN HONOR OF: Contribution of any amount in honor of a classmate, teacher, friend. Both the donor and the honoree are mentioned in the newsletter.

IN MEMORY OF: Contribution of any amount in memory of deceased classmate, teacher, friend. Both the donor and the deceased are mentioned in the newsletter.

LEGACY SOCIETY: Membership in the GHHS Legacy Society requires a base contribution of \$20,000 or more. The funding establishes an annual scholarship, of at least 5% of the deposited amount, in the contributor's name or in honor of someone of their choosing. All Legacy Society contributors will be listed in every newsletter issue and are listed on the web site.

We take our fiduciary responsibility seriously. You can see the good work your funding accomplishes including this newsletter, alumni events, the website, support of current student activities, improvements and supplies not available in the

regular budget (Robotics, Art, Band, special requests, etc.), and scholarships, scholarships and more scholarships. Your support ensures we stay connected, and together we help continue the legacy that makes us all proud to be a Bobcat.

Make all checks payable to GHHSAA and mail to PO Box 12116 Columbus, OH 43212. Funds are managed by The Columbus Foundation.

Editor's note: We send dues request letters to all alumni, just as we also send the newsletter. We hope you'll give when you can. Donations and annual dues newsletter subscriptions are much appreciated. We couldn't do all we do without you. Thank you for your continued and generous support.

Answers from Trivia Time

1. WLW-C was Channel 3, WTVN was Channel 6 and WBNS was Channel 10. In 1953, a Federal Communications Commission restructuring of the frequency assignments required Channel 3 to swap the Channel 4 assignment with WNBK (now WKYC-TV) in Cleveland.
2. WLW-C is now WCMH, WTVN is now WSYX and WBNS is still WBNS.
3. Marvin W. Fishman, a.k.a., Bob Marvin.
4. Ed McMahon.
5. Sidekicks for Hopalong Cassidy were named Lucky, California Carlson, Speedy McGinnis and Windy Halliday. Windy was played by George "Gabby" Hayes.
