

**James, Mary Lou, Barbara, Timothy**

**James Wright '69** is an architect and senior principal in the firm of Page Southerland and Page, in Arlington, VA. He went to The Ohio State University and Harvard. The family cash donation by James, **Barbara Wright '72** and **Timothy Wright '79** has provided 2013 and 2014 scholarships named in honor of the Wright parents, James W. and Mary Lou Wright. The scholarship is awarded to a Grandview senior who has shown outstanding community service either in the local or global community.

Mrs. Wright and her children attended both award ceremonies. Jim wrote, "Though we were not aware of it at the time, our parents both worked hard so that they could raise their three children in Grandview – and they found time to be involved with their community. To this day our mother is active with the Grandview senior community, continuing a nearly 60-year commitment."
